Drive for Farm Scrap To Begin October 15th

"The American farm is a good source of the iron and steel scrap needed for defense production."

This statement is made in the mobilization fact sheet No. 3 which is kicking off the farm scrap drive. The drive will be concentrated between the dates of October 15 and November 15.

Although the collecting of scrap iron will be more of a safety feature to the farmer than a profitable enterprise, it is pointed out that a little money for rusting, decaying equipment is better than nothing at all. Livestock could very possibly break a leg by running through a scrap pile where weeds have grown up enough to hide the real danger. Wire and other small scraps of metal could become mixed with feed and be a definite danger to stock.

W. H. Upchurch of the United States Department of Agriculture stated that there would be little profit in the drive for anyone. The main point stressed is the defense effort and to keep the steel mills in operation so that a large number of workers may continue working.

One of the reasons there is a special drive for farm scrap is because this scrap is usually of high quality. It is the heavier metal that is wanted, the old equipment which is no longer of any use. The steel mills especially need this type of metal at present.

It has been pointed out that for every ton of scrap metal used, America conserves approximately 2 tons of iron ore, 1 ton of coal, nearly 1 ton of limestone and other materials. Although farms are the main sources being tapped at this time, other scrap yielding places are being exploited. Special efforts to get scrap from railroads, utilities, coal mines and such special projects as obsolete ships and abandoned bridges, auto wreckers, government agencies and foreign outlets, are also being made at this time.

Funeral Sunday For Covington Baby Born Last Week

Funeral services for Teddy Bruce Covington, infant son of Mr. and Mrs. J. D. Covington, were held in the First Baptist Church at 2:00 p. m. Sunday. Dr. James P. Cornette, president of West Texas State College, officiated.

The baby was born Tuesday and died at 3:30 p. m. Thursday in the Neblett Hospital. Mr. Covington is a former West Texas State College football player and at present is assistant coach at Borger High School.

Survivors, other than the parents, include the grandparents, Mr. and Mrs. Dan Covington of Borger and Mr. and Mrs. E. N. Gibson of Post.

Burial was in Highland Cemetery at Borger under the direction of Boxwell Brothers Funeral Home.

Grade School Teams Split Double Grid Tilt With Tulia

Coach R. D. Wheelock motored down to Tulia Thursday night with his 7th and 8th grade teams for a double header football game. He has approximately 40 boys on both teams and each time a trip is taken, every boy who can possibly make the trip gets to go. There is no such thing as bench warming on this club, every boy gets to play his share.

The two games Thursday night were split. Tulia took one and Canyon took one. The 7th graders took their game by a 1 point victory. The final score was 7 to 6. The 8th graders had a little tougher opposition and dropped their game with a final score of 26 to 0.

Coach Wheelock explained that the main purpose of taking the boys on trips and starting them in football at this early date is to give them more experience. Besides giving invaluable experience this bit of training also helps the youngster to decide whether he desires to continue with that particular sport or participate in another during high school and college.

Stork Specials

Mr. and Mrs. E. H. Lindsey are the parents of a baby girl born October 4, weighing 7 lbs. 9 oz. She has been named Deborah Sue. She and her mother are doing fine at the home of Mrs. Lindsey's mother, Mrs. H. G. Downing, 1707 Berkley in Dallas.

Major and Mrs. R. E. Fuerst have just returned from three years in Germany and are enroute to Tucson, Arizona. They are now visiting Mr. and Mrs. G. W. Lee. Mr. Lee and Major Fuerst were in foreign service together during World War II.

All kinds of HOLLAND BULBS just arrived. Stevens Floral.

Lawyer Opposes Change on Old Age Assistance

Every person who receives an Old Age Assistance check from the state should read H J R 6 dealing with Old Age Assistance, study the same carefully and vote against it.

They claim that it will increase and stabilize your pension. If administered as written it will reduce your pensions and maybe destroy them. This resolution attempts to amend Section 51a of Article 3 of the present Constitution by raising the sum from $35,000,000 to $42,000,000. All the author would have had to have done was to copy the present Article and strike out $35,000,000 and inserted $42,000,000. But he wrote a new Article, and in doing so sure messed things up.

Section 35 of Article 3 of the Constitution provides: "No bill * * * shall contain more than one subject, which shall be expressed in its title. But if any subject shall be embraced in an Act which shall not be expressed in the title, such Act shall be void as to so much thereof as shall not be so expressed."

The subject of Section 51a sought to be amended is "needy aged persons who are actual bona fide citizens of Texas and who are over the age of 65, etc." It takes this entire sentence to constitute the subject. The person must be a bona fide citizen of Texas over 65 years of age before he can be considered eligible for a pension. This language clearly complies with Section 35 of Article 3 of the Constitution.

Section 1 of H J R 6 says that the Legislature shall have the power for the payment of assistance to needy persons who are over the age of 65 years, and does not prescribe any other qualifications. Under this language a man may be a citizen of any other state and at the same time be a resident of Texas and draw a pension.

It will be much better to kill this resolution than to have droves of needy people come into the state and getting on the pension roll. A man, to draw a pension from Texas ought to be a citizen of Texas. The submission of this resolution in this form was a legislative job badly done. The thing to do is to vote against H J R 6.

T. H. McGregor,
Austin, Texas

(Mr. McGregor has served in both the Texas Senate and House of Representatives. He is an able lawyer and has made a close examination of the effects of this amendment.)

Students at WTSC Hear Accomplished Concert Violinist

Mrs. Josephine Citron, an accomplished concert violinist and musician, entertained West Texas State College students in assembly Thursday. Mrs. Citron is the wife of Ralph Citron, chief orthopedic and surgeon at Amarillo Veterans Hospital.

Mrs. Citron studied music four years in Cleveland and New York. She is a pupil of Louis Persinger who is generally accepted as the world's greatest teacher from the standpoint of accomplishment of students. The first concert violinist sent abroad on U. S. O. camp circuits, Mrs. Citron remained with this organization for two years. Her music led her to such places as the Caribbean Sea, South America, Iceland, the British Isles, Europe and Africa.

At present the accomplished violinist is concert mistress of the Amarillo Symphony Orchestra. During her recital for West Texas State College students she was accompanied by Howard Dill.

Condition of Norris Samuelson Improves

Mr. and Mrs. Otto Samuelson returned from Dallas recently after visiting their son, Norris. The 14 year old boy is doing as good as can be expected in his fight against polio. He was moved Sunday from Parkman Hospital to Childrens' Hospital of Texas. Friends who desire to write Norris cards and letters should address them to him in care of the Childrens' Hospital of Texas, Dallas.

Major and Mrs. W. L. Lockhart were recent visitors in the parental T. V. Slack home. They also visited Mrs. Lockhart's sisters. They were returning to San Antonio after Major Lockhart had attended a school in New York for ten days.

Postal Recepts in Canyon Continue To Climb in 1951

If the postal receipts are an indication of the trend of business, prosperity is a constant and steady part of this community. The books at the post office show an increase as regularly as the months and years go by. July, August and September of 1949, the total of stamp sales and postal receipts was $40,877.40. During that same period of 1950 the business transacted via stamps and postal notes amounted to $43,487.67. This year the total is $48,979.08, and there are still some entries to be made in this quarter-year period. When the meter at the college is checked and all that business goes into this quarter-year-period, it's possible that another $2000.00 will be added to the books for the three month period ending September 1st.

The second wheat failure in two years painted a pretty dark picture for the community. However, in both instances a fairly good row crop has been instrumental in providing the farmers with a good cash crop. This year the grain sorghums in this area are expected to bring in approximately $3,000,000.00. Even with wheat crop failures, the post office business continued to prosper and if history continues to repeat itself, the business at the post office will go right on climbing.

Canyon Group To Meet Officials on Underpass

The Canyon delegation to work for an underpass on Highway 87 north of Canyon will leave Monday morning for Austin and will meet with the Texas Highway Commission at 9 o'clock Tuesday morning.

The delegation will be composed of representatives of the Commissioners Court, the City Commission and the Chamber of Commerce. The state will be asked to set up the underpass as a project for 1952 in view of the fact that the highway has been widened through Canyon, and the underpass is a two lane affair, connecting the four lane in both sides.

V. F. W. Enjoyed Old Fashioned Box Supper

Clark Jarnagin did a neat job of auctioneering for the V. F. W. Club Thursday night at the V.F.W. Hall northwest of town. Almost half-a-hundred people turned out for the old fashioned box supper that netted the club a nice profit.

The boxed lunch that brought the highest price sold for $14.50. A single sack of potato chips sold for $5.00 and the bag in which the potato chips were held was also sold for $1.50.

After the box lunch was finished guests enjoyed varied entertainment activities. Some played dominoes, some played canasta and others danced to the music of the juke box.

Lilac Blossoms Make Curtain Call

'It might as well be spring' at least as far as the lilacs in our vicinity are concerned. Rumors have been floating around for several days now about lilac bushes coming to life with scented blossoms. These rumors may have been accepted but in many cases they were not believed.

Saturday morning definite proof was established that at least some lilac bushes are in bloom at this time. Mrs. James H. Scott brought the proof to the News office. The stem, leaves, blossoms and scent were still intact. Lilac, the flower that usually restricts its blossom to the early springtime, is now blooming out in the early autumn.

The lilac blossoms brought to the News office were from the Guy Tabor place, the parents of Mrs. Scott. This late blooming of the lilacs may not have any special significance but it certainly has a definite meaning. These blossoms just go to show that even the plants and mother nature can neither depend upon nor predict the weather in Texas.

Cpl. Kenneth R. Hillier spent the week-end in the home of his brother and sister-in-law, Mr. and Mrs. Charles Hillier. He is stationed at Colorado Springs.

Mr. and Mrs. Clyde Keith, Karolyn and David, of Denver City, Texas, spent the week-end in the home of Mrs. E. N. Zachry.

Dollar Day Brings Good Results to Canyon Firms

The second month and the second day of Trades Day values had a pretty rough time of it. Friday was a bit upset as far as the weather was concerned. In spite of the rain and wind that dipped down to thwart the buyers, there was still a crowd somewhat larger than ordinarily visits town.

Almost 50% of the merchants interviewed reported a larger number of people in their stores and a good increase in trade. The others, with the exception of one firm, reported small gains. At least the increase was encouraging, more especially in the face of the fact that the weather was somewhat unpleasant to be out in.

The Western Auto Store reported a day of rather heavy traffic. The Root Paint Company reported a much better day of business than the previous month when our special Trades Day values started. Cooper Grocery and Market reported a good day. T. A. Black Dry Goods company had an excellent day, both in traffic and actual sales. The M. E. Moses 5 and 10 cent store had a good day, however, it wasn't as good as the first day of values back in September. Only a small gain was reported by Warren's department store; White Auto Store; the J. J. Walker Pharmacy, and the Thompson Hardware Company. Ernest Johnson's Men's Wear reported a slight increase, as did the Cunningham Appliance Company. Hart Appliance Company reported less business than the other day of values observed last month.

Merchants expressed their faith in these value days and plan to continue having them. Everyone seems to be of the belief that Dollar Day Values are not a flash-in-the-pan affair. It takes time and there seems to be enough courage and time here to carry it through to success.

High School B-Team To Meet Wellington In Buffalo Stadium

The first home game of the season for the High School B-team will be played Thursday night in Buffalo Stadium. There will be 2-dozen potential Eagles out on the field. Ends will be selected from Kenneth Berry, Charles Boling, David Brandon and Lonnie Davis.

Filling the position of tackle will be such boys as Bobby Hood, Jerry Downing, Billy McBroom and Curtis Dickson.

Guards will be selected from a group of 5 boys made up of: Larry Porter, Ted Lowe, Ken Kuykendall, Calvin Costley and Jimmy Golden. Leroy Burrow and Joe Britt will take turns at filling the center slot.

Backs will be made up of Larry Hungate, Jimmy Joyner, Mitch Murry, Don Beck, Bernice Morris, Harold Root, R. A. Burgess and Donnie Rogers.

Farm Bureau Has Opened Offices in Stevenson Buildg.

The Randall County Farm Bureau has opened an office in the T. S. Stevenson building, formerly the First National Bank building. The Farm Mureau plans to keep the office open full time for the convenience of its members. The move to establish an office separate from any public building or governmental agency has been planned for a long time. The increase in membership and services made the move necessary at this time.

Polio Victim at Gonzalas Improving

According to Mrs. G. B. Combs, her grandson, George Bornanoff, is showing slight improvement from polio at Gonzalas.

Parents and friends are permitted to visit the patients Sunday afternoons for two hours, and during the balance of the week the patients are treated and taught by the medical corps.

The mother of George is the former Lillian Atkins, member of The News staff for several years.

Mr. and Mrs. J. H. Kelley of Los Angeles and their daughter, Mrs. S. F. Legg of North Dakota, visited over the week-end at the home of Mrs. Kelley's sister, Mrs. Fred Standley.

All kinds of HOLLAND BULBS just arrived. Stevens Floral.

Cecil Massey at Boston Meeting on Recreation

Included among the 1,500 delegates attending the 33rd National Recreation Congress meeting at the Hotel Statler, Boston, Mass., from October 1 to 5, was Cecil E. Massey, director of Canyon Community Recreation Council. Mr. Massey appeared at the National Meeting on Tuesday on the program, "The Values of Drama in The Community."

Daily morning and afternoon discussion groups covering all phases of military, civilian and industrial recreation are scheduled for the 5-day meetings with seminars for executives and training courses for those refresher-minded. Highlights include a tour of historic Boston, inspection of important play projects, a Play Hour, the annual National Recreation Association tea and the Congress banquet with Yoshihiko Kurimoto, Chief Director of the National Recreation Association of Japan as one of the principal speakers.

Mercury Drops To 37 Degrees Sunday Morning

The mercury stood at 37 degrees above zero Sunday morning, making this the lowest temperature of the fall.

The temperature has moderated considerably since that time, but the night temperature still remains cool as compared with the high of the days.

No rain has fallen in Canyon since the middle of September. The month of September produced 2.93 inches of moisture, all of it falling in the early part of the month. So far the total moisture of the year measures 22.04 inches.

Farmers, Feeders Hear Importance Of Balanced Feed

More than 60 men gathered at the Courthouse Tuesday night to hear Hico Eudaly propound the importance of balanced feeding of dairy cows and beef steers. Mr. Eudaly explained the importance of silage and also told the best times to put up the silage and gave a description of the trenches that should be dug for the silos.

After speaking for approximately one hour, Mr. Eudaly opened the session for questions. In the round table discussion that followed the farmers and feeders received some advice on various personal problems about feeding.

The group, which met in the 47th district courtroom, was comprised of dairy men, beef cattle raisers and three veterans vocational classes.

Mrs. G. B. Bourland visited the last two weeks with her brother and wife, Mr. and Mrs. M. H. Taylor and her niece, Mrs. Bishop Wiggington near Lockney.

Mr. and Mrs. Aaron Johnson of Rayon, Okla., and Mr. and Mrs. Ben Holt of Spearman spent Monday and Tuesday in the home of Mrs. E. N. Zachry.

Mrs. Keiser Dies Of Injuries From Automobile Crash

Mrs. Sybil Odell Keiser died in Neblett Hospital at 2:00 a. m. Saturday morning. Her death was the result of a car wreck Monday night about 11 miles south on Highway 87. Oscar Keiser, husband of the deceased, left Neblett Hospital at 2:15 Saturday afternoon.

The Keisers had formerly lived at the Pavilion trailer court in Amarillo and were enroute to Lubbock. Mr. Keiser, who had been working for Stewart Brothers Dry Wall Company, was going to Lubbock to seek employment in that city. The accident occurred when the car hit a soft shoulder beyond the pavement. Mrs. Keiser never regained consciousness and her husband, Oscar Keiser, was also seriously injured. The Keiser's 8-year-old daughter and Mr. Keiser's half brother were also in the car but these two were unhurt.

The 29-year-old housewife and mother of 7-year-old Glenda Sue Keiser, was born in Bagwell, Red River County, Texas. She is survived by her husband, Oscar Keiser; 1 daughter, Glenda Sue; her parents, H. J. and Sally Hastings; and 1 brother, Henry N. Hastings. The body has been shipped to Clarksville, Texas, where funeral services will be conducted by the Dixie Funeral Home.

Welfare Work and Routine Duties Are Daily Tasks of Cop

A cop's line of duty often extends beyond actual violations of the law. Cooperation with other law enforcement agents and the milk of human kindness also enter into the routine of a cop. The days in the life of policeman John King since last Sunday morning are typical for a cop.

Routine duty Sunday brought King into contact with three traffic violaters who paid rather large fines. One out-of-town fellow was driving through, but was picked up here for drunk driving. He claimed he wasn't drunk but the car was.

Two Mexican nationals were picked up as they left the bus for a short time. Lubbock authorities were notified and the two nationals, who were evidently trying to remain in the United States illegally, were returned to Lubbock Monday.

The human interest side of the cop's ledger made its appearance Tuesday morning. It was learned that a family of three, a man, wife and 9 month old baby, were sleeping in their car on the outskirts of town. King went out and brought the family in. He and Dudley Bayne arranged for the man to go to work while the mother and small baby were taken to King's house where they bathed and fed. Later Tuesday afternoon the young mother and baby were taken to town and Mrs. King assisted with clothes shopping for them. All the preparation for supplying the family with these necessities were not in the cop's line of duty. Although other people helped a great deal, it was King who started the ball rolling to help the family.

So go the duties of a cop, both the routine work and the human interest work make their appearance on his beat.

Rotary Club Plans Intensive Drive To Elect Governor

The Canyon Rotary Club enthusiastically endorsed the candidacy of Herschel Coffee for the office of District Governor, and set about to carry his campaign to every part of the 183rd district.

The election will be held by clubs during the first week in December, and between now and that time delegations will visit every town in the district to solicit support for Coffee.

Jack Walker and Crannel Tolliver were welcomed back into the Club after their absence to attend Denver University, and Dr. Dudley Moore, Jr., was received as a new member of the club.

Bill Wilson passed the cigars in honor of his young son, born during the past week.

Visitors were: Wm. McGehee and Frank Bezner of Hereford; Rusty Hastings of Dallas; Dick Schilling of Lincoln, Nebr.; Bob Martin of Baytown; Swede Tolzien, Forrest Barnes, Henry Hertner, Bill Dooley, A. F. Cox, E. C. Wagner, J. Frances Brown, Guy Carlander, Arthur Osgood, Tom Cartwright, A. G. Attebury, all of Amarillo.

Gib Conner New Gulf Station Owner

The Gulf Service Station and Kaiser-Frazer Agency is now under new management. D. R. Weaver, who formerly operated the business, has sold to Gib Conner. Conner, who is a native of the plains country, has had a wealth of experience in service station business as well as the new and used car business.

For a number of years Gib Conner has been operating several businesses as a used car lot, service station and cafe.

Thompson Quits After 34 Years in Fire Department

C. L. THOMPSON

Clarence Thompson recently retired from the Fire Department after serving it for 34 years. As a retired fireman, Mr. Thompson will receive $25.00 per month compensation. Although he became of age and eligible for retirement during September, according to rules and regulations he could not be officially retired until October 1.

Before a fireman can be retired from the department he must have served 20 years and be 55 years of age. Mr. Thompson is the 7th fireman to be retired from the department. Those preceding Thompson into retirement were: Ray Campbell, Hud Prichard, W. J. Prichard, R. B. Davis, Allen Farlow and J. W. Kleinschmidt.

Next year will see at least one more fireman eligible for retirement. The fireman is known to be eligible for retirement next year is Lige Frieze. Both active and retired firemen deserve a great deal of credit for the fine work that is being done as well as the progress that has been made in the department.

Mrs. Marie Keiner Friemel Succumbs; Funeral Saturday

Funeral services for Mrs. Marie Keiner Friemel were conducted at St. Mary's Catholic Church in Umbarger at 8:00 a. m. Saturday morning. The body of the 78 year old housewife was later placed enroute for burial at Schulenburg, Texas, where burial services were conducted by the Schwenke-Baumgarten.

Mrs. Friemel was the 78 year old widow of Pius Friemel. She is survived by 3 daughters. Miss Amelia Schindler of Umbarger; Mrs. Frances Bartosh of Weiner, Texas, and Mrs. Earnestine Schaefer of Hollettsville, Texas. Mrs. Friemel leaves 1 son, Wm. Schindler; 5 step-sons, Ernest Friemel; Clem Friemel; Joe Friemel; Fritz Friemel and Rudolph Friemel, all of Umbarger. There are 5 surviving step-daughters: Mrs. Agnes Hollestein of Umbarger; Mrs. Sabina Stocker of Pryor, Okla.; Mrs. Clara Hess of Fayettsville, Ark.; Mrs. Helen Bedenk of Umbarger and Mrs. Anna Grimm of Amarillo. There are 5 surviving grandchildren and 2 great grandchildren.

Portrait Is Made Picture Appearing In The Canyon News

Exquisite beauty created from an ordinary newspaper cut has been unveiled at The News office. The painting was of Mr. and Mrs. E. C. Penick and it was done from the newspaper cut which appeared in The Canyon News August 30th.

The newspaper was sent to Mrs. Penick's nephew who is serving with the United States Armed Forces in Japan. The nephew took the paper to an artist who used the picture as a model in making the portrait. Simple words cannot describe the exquisite beauty, the marvelous detail and the gorgeous coloring of the picture. The picture would be a great compliment to an artist who had his model sitting before him, but an even greater talent is needed to produce such a painting from an ordinary black and white newspaper cut.

Funeral of Martinez Held Tuesday Morn

Vincent Martinez, 78, died here Sunday afternoon after a short illness. He has lived in Friona for several years, working on the Santa Fe.

The funeral was held Tuesday morning at St. Ann's Church at 10 o'clock, with internment in Dreamland Cemetery.

Survivors are the widow; five sons, who live in Friona, and Conrad Martinez, who lives in Canyon; three daughters; one step-son.

Buy, Build, Live in Canyon!

EDITORIAL COMMENTS

Loyal Democrats To Hold Meeting Soon

There will be a statewide meeting of loyal Democrats for the purpose of boosting the stock of President Truman for re-election.

Democrats who will not be present are Governor Shivers, Attorney General Price Daniel, Democratic National Chairman from Texas Wright Morrow, and a host of lesser lights scattered throughout the State who are determined that Truman will not be re-nominated.

The so-called "Loyal Democrats" are a misnomer. Certainly there are none in Texas who would uphold the bunch of cut throats whom Truman has called into public places, and are robbing the nation hand and fist.

The latest scandal to break is in the Internal Revenue department, which so-called honest Democrats are robbing the people of the nation, for their own benefit.

The President will uphold such thievery, no doubt, just as he has upheld the acts of other public officials who have been caught red handed.

When the "Loyal Democrats" get together, you will hear them scream themselves hoarse that the Republicans and Dixiecrats are about to lead the people of Texas down the path to utter destruction and everlasting damnation. This has been the battle cry of the Truman followers in Texas for several years.

We are wondering just who will be fooled when this group get together to demand that Truman be returned to the White House to continue the tactics in which he received such fine training in the Kansas City disgrace?

Connally Will Win Over All Comers

Dr. J. A. Hill says that he has received several red hot letters for his editorial praising Senator Tom Connally. There is a reason.

Senator Connally is not a fence rider. He has stood by the administration when he thought it was right, and has not been afraid to oppose it when he thought the administration was wrong. This does not sit well with the anti-Truman folks who can see no good in any individual who supports Truman at any time and under any condition.

If the election was held this week, and Governor Shivers was the opponent of Connally, we believe that Shivers would be elected. The voters are looking for a younger man to take over the job.

Every time *The Canyon News* has printed a word favorable to Senator Connally we have been needled by a large group of readers. The same is true with the reproduction of Dr. Hill's article.

However, we are still for Connally against all comers, because of his ability and his long service to the State of Texas. Conditions may change before election time next year, but we are not expecting any such change.

Canyon First: At All Times To All

If you believe in your home town, you will find plenty of business firms which deserve your support. As a matter of fact, we have a vast array of good business firms in Canyon from which you may make your selection.

The biggest job that confronts this community is to sell Canyon to Canyon people.

Before you jump into your car and speed away to spend your money in some other town, just consider these facts: "What would Canyon be without the support of all people in the community; and what kind of a town would this be if each and every citizen followed my example."

Amendments Being Opposed by Many

The time is growing short before the election in November when the voters of Texas will be called upon to pass upon the merits of five constitutional amendments.

During the past few weeks bitter opposition has developed to the amendment on old age assistance. It is argued that in lifting the ceiling on old age assistance the legislature made the mistake of letting down the bars on residence so that in reality those now on the old age assistance rolls will not get more money, but may in reality receive less money.

In these days of high cost of living, no one will argue that those on the rolls of Texas, or any other state, will be able to live on what they receive. The old folks are entitled to more money, but if a mistake has been made, there is no sense in running the risk of cutting those on the present rolls to a point below the present low level.

Governor Shivers has looked over the amendment and believes that those who raise the question of opposition are unduly alarmed.

However, there is more and more opposition to various amendments, and if the opposition gets too great the entire five may fall before the vote of the taxpayers of Texas.

Chiang Is Highly Praised by Speaker

We listened with a great deal of interest to the talk of President Bill Marshall of Wayland College before the publishers at the Elks' Lodge newspaper dinner. President Bill is a fluent speaker, and has traveled more than most folks in this area.

His theme was that the United States has lost 400 million supporters to the Reds in China because of the blundering of the administration. He highly praised Chiang as a great Christian gentleman, who devotes one hour every morning in Christian worship.

Our State Department is filled with Commies, charges Mr. Marshall, led by Dean Acheson, and others who want to see the Reds win.

President Truman has never spent a moment on his knees in prayer, as other great Presidents, charged the speaker.

Bill Marshall visited the Chiangs on Formosa during the summer, and praised the great Christian spirit of their home. He came back thoroughly convinced that a lot of folks in Washington had manufactured a lot of propaganda against the Chiangs and the Nationalists for their own benefit and for the benefit of the Reds.

Marshall charges that we have been selling the Nationalists inferior and discarded war materials for a high price while the Reds have been getting all of the stuff that they wanted at a very low price.

While America as a whole is suffering the highest war losses in history in Korea, we are losing the friendship of millions of people in the Far East where there is the largest population on earth.

Several years ago we heard Upton Close advocate that America forget bankrupt Europe and center our efforts in the development of Asia. We are taking his advice by turning this vast population over to the Reds.

Bill Marshall claimed last week that Asia was of far greater importance to us than Europe. Yet, we have done nothing to improve our situation in Asia except turn the Reds loose.

President Takes a Slap at the Press

The order of President Truman to impose censorship on the press is a slap at the freedom of speech. Truman made the statement Thursday afternoon that the press had published statements which were opposed to the safety of the nation. The reply was made that the press had used only such handouts as approved by the various departments of government. The Reds as well as the American press get all of these handouts and the Reds even attend the press conferences of the President.

Those who have watched the trend of affairs in Washington are convinced that Truman wants to throttle every American activity which does not support his ideas. His ideas do not coincide with those of a vast majority of American people.

Don't be so smug about curbing the press. Your freedom will be the next on the docket for control if Truman remains in office.

Just at this time fourteen managers of major league clubs are making plans to win the pennant in 1952.

A birthday, once a year, gets to be enough.

Supporting Hospital Is One of Our Jobs

The Canyon News has a long letter from Dr. W. E. (Bill' Lockhart of Alpine in which we were complimented for the publicity given to the Neblett Hospital. Dr. Bill has had his troubles in attempting to operate a hospital in Alpine. He lost $14,000 while trying to keep the hospital in operation.

The News is like all other Canyon institutions, we are thoroughly sold on the need of a good hospital in Canyon, and are willing to go all out in order to help in its operation.

Some folks are fooled about the amount of money that it takes to

New College Tests Announced

Newly announced college qualification tests for draft deferment consideration will be administered in Texas at 60 educational institutions in 46 towns and cities.

The first test will be given December 13 and the second on April 24. Applications for the December test must be postmarked not later than midnight November 5. For the April test the postmark must not be later than March 10.

Brigadier General Paul L. Wakefield, state Selective Service director, said that Texas draft boards would have bulletins of information, application cards, and other necessary material for student applicants by Wednesday, October 3.

He urged students not to make application for the material before that time. He said the biggest demand for the printed material by students would be on local boards in college and university towns.

Students who make scores of 70 or better on the tests are eligible for consideration by draft boards for deferment as students. Boards also may consider class standing or other factors.

Students who have never received a previous statutory deferment to attend college, including freshmen who began work this fall, are entitled to a statutory deferment for a full academic year, but after that deferment will have to be on other grounds, such as test score or class standing.

The state draft director said students who have taken the test before will not be allowed to take it again.

Help Keep Canyon Clean!

Ex West Texan Now Lt Colonel

John M. Hill, a graduate of West Texas in 1949, has recently been promoted to the grade of lieutenant colonel according to information received from the Air Defense Command Headquarters at Colorado Springs.

The son of Mrs. Charles H. Hill of Moody, Texas, he is presently serving as Tactical inspector in the office of the Air Inspector at ADC Headquarters.

During World War II, Colonel Hill served in Australia with the 27th Bomber Group as a pilot from December 1941, until March 1942. From this time until June 1943, Colonel Hill served with the 3rd Bomber Group as a pilot in Australia and as a Flight Leader in New Guinea.

Returning to the United States, Colonel Hill was assigned to Lake Charles AFB, Louisiana, as squadron Commanding Officer from July 1943, until October 1943. From December 1943, until February 1945, Colonel Hill was assigned to Morris Field, North Carolina, as squadron Operations Officer. He served as Assistant to the Assistant Chief of Staff for Operations of the 1st Bomber Command at Mitchel AFB, New York, from February 1945, until February 1946. From February 1946, the colonel served in the Operations and Training and the Air Inspector's offices with ConAC Headquarters at Mitchel AFB, before receiving his present assignment in January of this year.

He has been awarded the Silver Star Medal, Distinguished Unit Emblem, Asiastic-Pacific Campaign Medal and the British Silver Badge.

Colonel Hill is married to the former Virginia Hohlaus of Texline, Texas. With their three children, they are now living in Colorado Springs.

HER WASTED LIFE

As he was under orders to go abroad, the ardent young soldier begged his girl friend to marry him at once.

Rather worried about it, the girl sought advice from the maiden aunt who brought her up.

"Tell me what you'd do, aunty," she asked. "I suppose you think it wouldn't be sense to marry because I'm so young?"

"Well, dear," said her aunt, "I dunno! If I had my time over again, I think I'd get married before I was old enough to have sense not to."

UNREMITTING KINDNESS

The son in college was applying pressure for more money from home. "I cannot understand why you call yourself a kind father," he wrote his dad, "when you have not sent me a check for three weeks." What kind of kindness do you call that?"

"That's unremitting kindness," wrote the father in his next letter.

THAT'S SETTLED!

A man had a house located right on the border between the United States and Canada. Nobody knew whether the house was on the American side or the Canadian side. A committee was set up to investigate the situation. The decision was that the house was in the United States.

"Wonderful!" explained the owner. "Now I won't have to suffer those terrible Canadian winters."

Gen. Matthew Ridgway, Supreme Commander in Japan, like Gen. Douglas MacArthur before him, is getting impatient at orders from Washington that keep him from making a full effort to destroy Communist forces that are killing large numbers of American boys each week.

Robert Lovett, Defense Secretary, is less inclined than was his predecessor, George Marshall, to act on the theory that the Pacific Ocean and Asia are of only passing importance in the general scheme of U. S. defense.

Michael DiSalle, Price Stabilization Director, is about ready to admit that his job in a period of semipeace is nearly impossible. Eric Johnston, Economic Stabilizer, feels somewhat the same. Both want to resign.

President Truman is not pleased at evidences that Henry Wallace, former Vice President, then a Progressive Party candidate for President, is thinking of becoming an active Democrat again.

Winston Churchill will look to U. S. to help him over a good many troubles if he regains power in British elections. Mr. Churchill's needs, like Mr. Attlee's will be for dollars.

"THE BLINDFOLD TEST REALLY AMAZED ME

—bumpy roads felt smooth as highways!"

Says MRS. MARGUERITE GUNN— "The Dodge Oriflow Ride is really velvet-smooth! I took the Blindfold Test, and only after the blindfold was removed could I believe I'd been over such a rough, bumpy road."

DODGE DEPENDABILITY VALUE
Specifications and equipment subject to change without notice.

Blindfold Test Proves Amazing Smoothness of Dodge Oriflow Ride . . . Let Us Show You Today!

Come In . . . let the Dodge Blindfold Test prove that the new Dodge Oriflow Ride takes the *bump* out of bumps. Blindfolded, you travel a stretch of rough, bumpy going. Yet with the new Dodge Oriflow Ride you float along without pitch or bounce. You can't believe the bumps are there until your blindfold is removed!

Oriflow is just one of the many extra-value features Dodge gives you. There's "Watchtower" visibility for greater safety. Interiors that give you full head, leg and shoulder room—so you can ride in comfort. Fluid Drive smooths all your starts and stops.

Yes, you could pay hundreds of dollars more and not get all Dodge gives you. Come in today.

Mrs. Mary Sligar Leads Discussion

Five discussions of childrens' problems following the general theme "What keeping up with the Jones' means to your child," will start Friday morning, October 19, at 9:30. The meetings will be held in the First Baptist Church and there will be a nursery for preschool children. Since this series of five discussions are sponsored by the P. T. A. and the A. A. U. W. there will be no charge. Everyone who is interested is invited.

This course is possible because Mrs. Mary Sligar, a specialist in child growth who lives in Canyon, has been able to make time, to meet with the parents. Mrs. Sligar made many friends and helped many mothers and fathers when she taught in the elementary school.

More recently she completed special work at the University of Maryland in child growth and development. Now she has returned to the Panhandle to teach at West Texas State College and to advise teachers in many Panhandle cities about better understanding their pupils' problems. Mrs. Sligar visits Shamrock, Wellington, Phillips, Memphis, Dumas, Perryton, Tulia, Hereford, and Amarillo, each month.

Each meeting will open with a general discussion of a problem. Next, the group will divide into small sections so that parents whose children are about the same age may compare notes concerning the questions presented.

Following the general theme mentioned above: "What does keeping up with the Jones' mean to your child," the following topics will be the starting points for later meetings:

(a.) How do the Jones' children behave and why do they do as they do?

(b.) What do the Jones' expect of their children?

(c.) How do the Jones punish their children?

Mrs. Sligar will welcome individual suggestions about additional topics. The spacious Baptist nursery will accommodate all the preschool children who come, and the sponsors hope that those who are interested will attend and help to shape this program to their needs.

CANYON H. D. CLUB MET WITH MRS. LOYD CHILDERS

The Canyon Home Demonstration Club met Friday, October 5, in the home of Mrs. Loyd Childers.

Members answered roll call with their favorite color, followed with a game conducted by Mrs. Marion Higdon.

After the reading of the minutes, officers were elected for the next year. Officers elected were: President, Mrs. E. L. Hardaway; vice-president, Mrs. C. J. Hughes; secretary-treasurer, Mrs. Loyd Childers; Council representative, Mrs. Bill Money; Food demonstrator, Mrs. Johnnie McBroom; Clothes demonstrator, Mrs. Marion Higdon; Reporter, Mrs. J. A. Edwards.

A program of new styles and new materials was presented with Mrs. Bill Money in charge. Mrs. Luke Miller gave a talk on First Aid.

Delicious refreshments were served to Mesdames L. K. Baton, Luke Miller, Bill Money, E. L. Hardaway, Marion Higdon, J. A. Edwards, Douglas Loudder, Johnnie McBroom, C. J. Hughes, Mrs. Ed Mickle, and the hostess.

JR. LIVESTOCK ASSOCIATION MEETS THURSDAY NIGHT

On Thursday night, October 11, the Randall County Junior Livestock Association will have a general meeting in the High School Cafeteria. The meeting is set for 8 p. m. and J. O. Parker, association president, is asking all members to be present.

Plans for the commercial calf feeding program will be made. Also, next year's show plans will be discussed. Scheduled for the Thursday night meeting is the election of officers for next year.

Cards of invitation are being sent to members. The mailing list is not complete, however, and all members are asked to spread the word to others in the neighborhood.

Buy, Build, Live in Canyon!

MARIAN MILLER HONORED WITH BRIDAL TEA SATURDAY

The home of Mrs. Bryan McDonald was the scene for the bridal tea given Miss Marian Miller, bride-elect of Walton Byrd, on Saturday afternoon from three until five, September 29.

In the receiving line, Mrs. McDonald, Miss Miller, Mrs. W. A. Miller, and Mrs. Roy Byrd, Sr., greeted the guests as they arrived.

The tea table was laid with a white embroidered linen cloth with an all silver setting. The centerpiece was a white mum arrangement with white candles in silver candlesticks with a touch of blue, the bride's color in maline under the candles. Mrs. D. A. Shirley and Mrs. Walter Graham presided at the tea table. Mrs. Ples Harper and Mrs. Glenn Dowlen played during the tea hours. Pam McDonald, June Jennings Cleavinger, and Giovanna Johnson assisted in the house party.

Flower arrangements of fall flowers throughout the house was an attractive feature to all the tea guests.

Hostesses for the shower were Mesdames Frank Barnhill, Frank Kimbrough, James Jennings, John Jennings, Irvin SoRelle, J. J. Walker, Mitchell Jones, Kelly McGehee and Bryan McDonald.

About 100 guests called.

PALO DURO BOWLING LEAGUE STARTS YEAR BY ELECTION

The Palo Duro Bowling League is composed of four teams this year. They are Cecilia Bosley, Sammy Ponds, Margaret Wilkinson, and Lee Stone, bowling for Thompson Hardware; Canyon Drug is sponsoring Ruth Shero, Emma Hardaway, Naomi Bewley, Gladys Odom and Roberta Wilson; Ruth King, Bobbie Ford, Bert Brown, Jo Anne Ford, and Waun Brown are striking for T. A. Black Dry Goods; bowling for Palo Duro Dress Shop are Alice McGehee, Joan Davis, Pauline Higgins, and Ruth Foster.

The three top scores for Monday night, October 8, were Lee Stone, 171; Ruth Foster, 169; and Joan Davis, 150. The high averages were Ruth Foster, 146 and Lee Stone, 143.

The Palo Duro Bowling League is a member of the Women's International Bowling Congress.

PRISCILLA CLUB MET WITH MRS. W. H. STROUD

The Priscilla Club met with Mrs. W. H. Stroud as its hostess on Wednesday, October 3.

Fall flowers decorated the home for the occasion.

Refreshments of fruit juice, cheese straws, and cookies were served to the following: Mesdames E. D. Walker, Ernest Brown, R. A. Hodges, J. J. Walker, Ray McReynolds, Alfred Bellah, I. F. SoRelle, J. W. Shook, J. E. Haley, R. A. Henson, S. B. Loudder, and the hostess, Mrs. W. H. Stroud.

ANDY MORELAND IS HONORED AT PARTY

Andy Moreland, son of Mr. and Mrs. LeRoy Moreland, was honored with a birthday party on his 2nd birthday, Friday, October 5. Individual cakes, ice cream and lemonade were served to the following:

Larry Wooten, Mary Rose Longbine, Johnny Condron, Eddie Hinders, Jan Condron, Jean Robinson, Johnny Warren, Mike Condron, Mike Hinders, Roger Gist, Patsy Robinson, Ronnie Wooten, Linda Stevens, Darene Gatten, and Garland Gatten.

Mrs. Clarence Thompson assisted Mrs. Moreland with the party.

SURPRISE HOUSE-WARMING HONORS THE J. R. PARKERS

A surprise house-warming honored the J. R. Parkers in their home October 1. Hostesses for the occasion were Mrs. Jack Parsons, Mrs. Doris Gillham, and Mrs. C. F. Rogers.

Individual cakes, home-made candy and fruit punch were served to the forty guests, members of her Sunday School class and Home Demonstration Club members, Mr. Wayland Angel and Mrs. Ralph Ruthart.

Mrs. W. C. McDonald of Fayettsville, Arkansas, was a visitor in the Laura SoRelle home last Thursday.

Buy, Build, Live in Canyon!

Engagement Is Announced

Mr. and Mrs. F. M. Kinney are announcing the engagement and approaching marriage of their daughter Faye to Glen Wooldridge, son of Mr. and Mrs. B. C. Wooldridge of Newcastle, Texas. The wedding is planned for late fall.

SUE HITE CLUB MET MONDAY IN MUSEUM

The Sue Hite Club had its regular meeting in the Museum Monday, October 8. Mrs. W. F. Haggard presided over the business meeting. Mrs. W. A. Moore had charge of the program and Mrs. Frank Barnhill reviewed "Western Stars" by Stephen Vincent Benet.

Members present were Mesdames Robert Busteed, Frank Barnhill, Frank Begert, Hatcher Brown, S. P. Burgess, R. E. Cleavinger, Herschel Coffee, Levi Cole, Earl Craig, W. F. Haggard, Crews Henry, R. P. Jarrett, Jr., C. B. McClure, W. E. Miller, W. A. Moore, C. F. Mlinar, R. E. McCormack, Borden Price, Crannell Tolliver, Herschel Thurston, and Charles Wright.

RUTH CLASS INSTALLS NEW OFFICERS; HONORS TEACHER

On Tuesday evening, October 2, the Ruth Sunday School Class had their regular monthly party in the home of Mrs. Wayne Wirt with Mrs. T. C. Gooch as co-hostess.

Mrs. T. C. Gooch installed the new officers and teacher, Mrs. Lon Fanning for the new year. The officers are as follows: President, Mrs. C. W. Belcher; vice-president, membership, Mrs. John Brazzill; fellowship, Mrs. W. O. Nunley; stewardship, Mrs. James Latimer; personal ministries, Mrs. Hersey Williams; secretary, Mrs. W. T. McGregor; assistant secretary, Mrs. Crawford Ruthart; group captains, Mrs. Bill Hunter, Mrs. D. A. Brown, Mrs. Lee Cook.

Following the installation service, Mrs. T. C. Gooch, retiring teacher, was honored with a surprise personal shower.

Those present, other than officers, were Mesdames Billy Brown, Joe Gill, Luke Miller, A. B. Gray, Mrs. Roy Peggram of Quail, the hostess, Mrs. Wayne Wirt, and co-hostess, Mrs. T. C. Gooch.

COUNCIL OF CHURCH WOMEN COLLECT CLOTHING — KOREA

The Council of Church Women, through its affiliated church groups, is sponsoring the collection of clothing to be sent to Korea. Clothing and shoes, particularly warm garments, are desired. Any persons wishing to contribute should get in touch with one of the participating women's groups. It is desired to have the collection complete by October 30, when a dedication service, in observance of United Nations Day, will be held.

If clothing is to be sent to Korea, ten cents a pound will need to be collected for shipping. If clothing is to be sent to Europe, eight cents a pound is needed for shipping.

Chairmen for the collection are: Mrs. Gene Root, Mrs. Winston Wilbanks, Mrs. H. E. Campfield, Mrs. Joseph Findley, and Mrs. T. H. Knighton.

W. S. C. S. HAS QUIZ PROGRAM AT REGULAR MEETING

The W. S. C. S. of the Methodist Church had as its program a quiz. Mrs. Velton Sorgee was the announcer and asked the questions. Mrs. Iverson Leake, Mrs. Piner Stevens, and Mrs. T. S. Stevenson, Jr., participated in answering the questions which were asked concerning the missionary work in Latin-American. Circle meetings will be next Tuesday at 3:00 p. m. The Mary Circle meets with Mrs. L. E. Gum; Martha Circle with Mrs. Clyde McElroy; and the Ruth Circle meets with Mrs. H. E. Campfield.

McCroy Chapter DAR Has Meeting At Warwick Home

The Esther McCroy chapter of the DAR met in the home of Mrs. Clyde W. Warwick Monday. Soloist Holmes Ambrose, accompanied on the piano by Miss Matilda Gaume, sang four selections. The selections were Caro Mio Ben by Giordani; My Lovely Celia by Wilson; The Silver Swan by Gibbons and There Is No Death by O'Hara.

Hostesses for the 40 guests were: Mrs. Clyde W. Warwick, Mrs. J. S. Humphreys, Mrs. Tom Knighton; Mrs. Joe Findley, Mrs. Evetts Haley and Mrs. Geraldine Reen. The home was decorated with roses and Mrs. Clifford K. Rogers, the regent, presided at the tea table. A book review on the novel "Moses" by Sholem Asch was given by Mrs. Joe Findley.

JOWELL H. D. CLUB MET WITH MRS. LOUIS HINDERS

On October 3rd, the Jowell Home Demonstration Club met in the home of Mrs. Louis Hinders, Jr. The club was opened by the president, Mrs. Earl Davis. Roll call was answered with my favorite color. After the business session, Mrs. Edgar Robinson gave the program on first aid treatment.

Refreshments of cup cakes, sandwiches, and ice tea were served to the following members: Reca Robinson, Amanette Hinders, Helen Davis, Mary Jo Robinson, Mary Alice Bonds, Mattie Ruth Robinson, Eula Bonds, Ruby Bonds, Rae Barnett and the hostess, Carolyn Hinders.

The next meeting will be with Mrs. Edgar Robinson on October 17.

REV. F. B. FENTON PREACHING AT PENTECOSTAL CHURCH

The Rev. F. B. Fenton of Ponca City, Okla., is the evangelist doing the preaching at The Pentecostal Holiness Church at the corner of Fifth Avenue and Fourteenth St., just one block west of the Courthouse.

Bro. Fenton comes with a burden for the lost.

We urge people of all churches to come and join with us in this battle against sin.

Let us work together for the good of lost humanity.

If you are discouraged, and longing for rest, come to the revival and you will be blest.

Services each evening beginning at 7:45 o'clock.

Everyone is urged to attend. You will find a warm welcome at this little white church.

Mrs. C. W. Haddock, Pastor

PLASTIC PARTY GIVEN BY MRS. LON FANNING

On Friday morning at 9 o'clock, Mrs. Lon Fanning was hostess, with Mrs. Crews Henry as co-hostess, for a Plastic Party.

Mrs. H. H. Hand gave a demonstration on plastic.

Coffee and rolls were served to the following guests:

Mesdames Clarence Adcock, Leonard Winters, Van Pennington, Harry Ford, Richard Gidden, Iverson Leake, Buck Nunley, H. H. Hand, and hostesses, Mrs. Henry and Mrs. Fanning.

Mr. and Mrs. R. L. King of Haskell visited their son and wife, Mr. and Mrs. Mickey King, last week-end.

Miss Anna Tevis of West Texas State College spent the week-end in the home of her parents in Perryton.

Warwick's

Dust Relics or Pour Cement; Museum Keepers Never Know

All types of jobs from carrying trash to mixing concrete are done by students employed in the museum.

Working this year in the museum are four boys and seven girls. The boys are J. C. Jackson, Lefors; Hoyt Kenmore, Dimmitt; Joe Walker, Floydada; Millard Work, Jr., Ashtola. Girls working as clerks are Jo Teeple, Silverton; Joyce Green, Channing; Beth Beene, Amarillo; Ramona Hightower, Skellytown; Juanice Koonce, Sunray; Dee Ann Wright, Fritch; and cataloguer, Florence Coffee of Canyon.

Jo Teeple, beginning her second year in the museum, has been there the longest time of those employed in the museum this year. J. C. Jackson and Joyce Green began working in the museum the second semester last year. Hoyt Kenmore has worked there since May. Joe Walker, Ramona Hightower and Florence Coffee started working there this summer. The remainder of the staff has been employed since the first of this year.

All students working in the museum attend WT except Florence Coffee who is a student at Canyon High School. Florence works only on Saturdays and Sundays. The others work one hour each day during the week. Florence calalogues all new items and lists them according to the donor or lender, the serial number, and identifies them according to source. The students alternate in order that four students work in the museum each Sunday.

The girls keep the desk attendance, give information to visitors, type, and do secretarial work, although according to Boone McClure, Director of the Museum, the girls have been known to do some "dirty work."

It took the girls a month to sort and wrap a 25 year file of 23 newspapers. Each paper was wrapped by the month and indexed. The girls may also clean pictures and display cabinets. It took them fourteen days to clean all the silver in the museum.

Sundays are the busiest days in the museum and besides keeping attendance records the girls must walk the floors to see that none of the displays are disturbed.

J. C. Jackson and Hoyt Kenmore are the cabinet makers for the museum. They have completed several new display cabinets and have finished arranging another room.

Boys do such jobs as cleaning guns, soaping saddles, using the vacuum cleaner on Indian rugs and cleaning displays. One boy who worked at the museum did nothing for three months but clean the 1,000 guns on display.

So the next time you visit the museum and can't find any dust around, just blame it on Boone McClure and his competent staff.

Bible Verse to Study,

"And this is the condemnation, that light is some unto the world, and men loved darkness rather than light, because their deeds were evil."

1. Where is this verse recorded?
2. Who spoke these words?
3. Unto whom?
4. Is the discourse found elsewhere in the Bible?

Bible Verse Answers

1. John 3: 19.
2. Jesus.
3. Nicodemus.
4. No.

HE STUCK IT OUT

A young lad in the lower grades complained to his teacher that he had a terrible stomach ache. The teacher sent him to see the principal.

When the little tyke returned to the classroom, he walked in such a manner that his stomach stuck way out. When the teacher asked him why he was walking that way, he replied:

"I told the principal I had a stomach ache and he said if I could stick it out till noon he'd drive me home."

When a mouse falls into a meal sack, he thinks he is the miller himself. —Dutch Proverb.

Buy, Build, Live in Canyon!

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: THE UNKNOWN HEIRS AND LEGAL REPRESENTATIVES OF FANNIE MONTGOMERY, A WIDOW, DECEASED, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 29th day of October A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 7th day of August, A. D. 1951, in this cause, numbered 2344 on the docket of said court and styled J. S. Gamblin, Plaintiff, vs. Robert K. Porter and Mrs. Robert K. Porter, his wife, Joseph A. Leary and the unknown heirs and legal representatives of Fannie Montgomery, a widow, deceased, Defendants.

A brief statement of the nature of this suit is as follows, to wit:

This suit is an action in trespass to try title to recover title and possession to the following described property:

Being 84.6 acres of land situated in the North west corner of Survey No. 6, Block 9, B S & F in said Randall County, Texas.

Beginning at a stone 10 x 8 x 2" marked X set in ground, the Northwest corner of survey six; Block 9 B S & F,

Thence South with the West line of said Survey 950.4 varas;

Thence East parallel with the North line of said survey 475.2 varas;

Thence North parallel with the West line of said Survey 950.4 varas to a point in the North line of said survey;

Thence West with the North line of said survey 475.2 varas to the place of beginning.

and in the alternative for specific performance of a contract for the sale of said property entered into between Fannie Montgomery, a widow, deceased, and the plaintiff. The defendants are claiming said property as the heirs at law of Fannie Montgomery, a widow, deceased, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas, this the 14th day of September A. D. 1951.

ATTEST:
ETHEL MULLINS, Clerk
Randall County, Texas.
(Seal)

23t4

Ex-Student Now WT Art Teacher

The newest member of the WT Art Department is Gene A. Clardy, a native Texan and resident of Amarillo.

Mr. Clardy received his B. A. from Tulsa University in 1950, and attended WT during his freshman year in 1946.

On MWF from 8 to 10 he teaches commercial lettering, and has a lab on Tuesday nights from 6:15 to 9:15. Monday evenings he has a class in oil painting at the Amarillo Center.

At present he is employed by the Southwest Advertisers in Amarillo as a commercial artist.

Teacher's Meet Here October 13

A conference for elementary teachers and principals will begin at WT on Saturday, October 13.

This meeting, sponsored by the Department of Education, will last from 9 o'clock until 12:30.

Mrs. Natalie Cole, teacher, lecturer, and author from Los Angeles will speak on the principal topic, "The Arts for Boys and Girls."

Last year approximately 500 teachers attended this conference. Dr. Ruth Lowes is chairman of the arrangements committee.

QUITE A GAL!

At a national Sunday School convention answers were given to the roll call by states. When the State of Texas was called, a brawny specimen of southern manhood stepped out into the aisle, and with a strident voice exclaimed:

"We represent the great State of Texas. The first white woman born in Texas is still living. She now has a population of over three million."

There was a pause of bewilderment for a moment, and then a voice from the galleries rang out clear and distinct:

"Send that woman out to Wyoming. We need her!"

THAT EXPLAINS EVERYTHING

When Jones met his old friend, Smith, whom he hadn't seen in six months, he was shocked by his altered appearance. His face looked haggard, his eyes held a glossy stare, and the way his clothes draped his frame spoke eloquently of a considerable weight loss.

"Good heavens, man!" Jones exclaimed. "Have you been ill?"

"No," Smith answered, wearily; "but my wife is on a reducing diet."

WELL ACQUAINTED

A young teacher substituted for a friend who was taking a week's honeymoon. A month later at a party someone started to introduce the groom to her.

"Oh," he answered brightly, "I know Miss Royal very well indeed. She substituted for my wife on our honeymoon."

DELEGATE-AT-LARGE

Son: "Pop, what is a delegate-at-arms?"

Pop: "A delegate who goes to a convention without his wife."

MODERN EDUCATION

"What has your boy learned at school so far this term?"

"He has learned that he'll have to be vaccinated, that his eyes aren't really mates, that his teeth need repairing, and that his method of breathing is entirely obsolete."

DAD KNOWS

Son: "What is executive ability, Father?"

Father: "Executive ability, my son, is the art of getting the credit for all the hard work somebody else does."

BROKE

He: "Remember, darling? Last night you said there was something about me you could love?"

She: "Yes, but you spent it all."

Anthony Eden, former British Foreign Secretary: "On no account must we relax our purpose, which is to seek peace through strength."

The first American newspaper, Publick Occurrences Both Forreign and Domestick, published in Boston on September 25, 1690, by Benjamin Harris, was suspended by the royal governor after one issue.

operate a good hospital, such as we have in Canyon. The fact that so few county or city hospitals are breaking even in their operation should be a sufficient warning that the operation of such institutions are far from a money-making scheme. Most of them show a deficit every year.

We are mighty glad that we have this institution in our midst. We have never been around many hospitals, but the more we see of the big institutions the more pleased we are that we have a privately owned and operated hospital in Canyon, which is operated for the benefit of all people.

A voter, who supports a candidate for a selfish interest, has no right to complain when the man represents other selfish interests.

If Soviet Russia wants war, it looks like 1952. Before rearmament is completed, it would be the most likely time for it to begin.

Americanism: Men, working hard, to acquire a fortune in order to be able to play and then dying because they failed to play.

One thing about these Washington revelations, not every five per center had the influence that the saps thought he had.

Advertising is not something to take your money without results; if necessary, make a study of what you have to offer customers.

Those fortunate enough to escape drowning during the swimming season will now run the risks of skating on thin ice.

Don't forget that there is need for additional quantities of blood for the use of men wounded overseas.

If you know all the answers to public questions you are one out of more than 150,000,000 Americans.

The trouble with too many people is that the only thought they have is that they have to say something.

The ancient writers said some smart things, if you have ever taken the time to read what they wrote.

When Congress gets around to corporation taxes there is a lot of sympathy that comes to the surface.

Business that has been "ruined" for the past twenty years is making bigger profits than ever before.

Life has no secrets that a teenager can't read about in some of the magazines offered for sale.

Diet is a question of good food, properly prepared and g. f. p. p. is a matter of good health.

Propaganda is the art of making other people think as you think, regardless of the reason.

People who gamble, should be prepared, and able, to lose money.

BOYCE HOUSE
"Gives You Texas"

New Orleans:

Along crowded Canal Street came two little old ladies, evidently sisters. They were clad alike, in dresses which were fashionable in the 1890's, and, primly perched on each gray head, was a flat little straw hat with a cluster of flowers. Perhaps they were spinsters of an aristocratic family who lived in a mansion of faded splendor (maybe with gold and bonds hidden behind the ancient cloak and under loose bricks in the big fireplace) and who came out into the busy world only a few times a year.

Two Kentuckians wanted for a bank holdup were reported to be in New Orleans. The police found them. Where? Why, where would you look except on Bourbon Street? Get it: Kentucky? Bourbon? Elementary, my dear Watson.

There are two Absinthe Houses—and each claims to be the "original." It's very confusing. Each also claims to have been the meeting place of Andrew Jackson and Jean LaFitte when Old Hickory made a trade with the pirate for his help in defending New Orleans.

Also there are at least five places on Bourbon Street (in the French Quarter, of course), each with the "original Dixieland Jazz Band."

Just to see the streets so famous from novels and short stories is a thrill: Royal, Dauphine, St. Charles, and the French Market — where they serve doughnuts that don't have holes and aren't round. They are almost crisp, are warm and are covered with baker's sugar.

Tennessee Williams was inspired to write a play by seeing "a streetcar named Desire." The streetcar, I didn't see; but a bus, so named, I did.

And there is Music Street. (That should prove sufficient inspiration for someone to write a light opera.)

Christine and Maxine Wheat and Mary Jean Kemp visited in the Dr. and Mrs. Dudley Moore home Wednesday night. They are surgical nurses in St. Joseph Infirmary in Louisville, Kentucky.

Mr. and Mrs. A. C. Thompson of Hereford visited relatives here Thursday and Friday.

Mr. and Mrs. Elwood Shero have moved to 2004 4th Ave.

Come try it yourself . . .

Chrysler's
new
Hydraguide Power Steering!

Chrysler this year introduces the first power steering ever offered on an American passenger car. Many owners tell us it is the greatest advance in car driving since the self-starter! To a person who hasn't tried it, it is actually impossible to describe what a difference it makes. Driving becomes a new and wonderful experience. *At your touch on the wheel, hydraulic power instantly provides four-fifths of the energy needed to steer the car.* Gone is all sense of tug, strain, tension. In its place you find a wonderful sense of absolute front wheel control with almost no effort on your part. Hydraguide is regular equipment on Crown Imperials, optional at extra cost on other 8-cylinder models. Whatever car you're driving now, we invite you to . . .

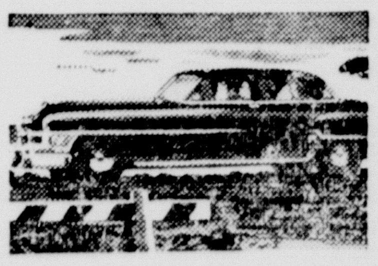
Come TRY Chrysler Hydraguide . . .
First power steering ever offered on an American passenger car!

Come TRY Chrysler FirePower . . .
180 Horsepower, finest and most powerful passenger car engine on America's highways today!

Come TRY Chrysler Power Braking . . .
Power from the engine helps apply the brakes . . . cuts foot pressure required as much as two-thirds!

NEW EASE! No more whirling or twirling, tugging and straining. The littlest lady you know can actually park the biggest Chrysler with her thumb and one finger on the wheel . . . drive all day with new freedom from arm-and-shoulder fatigue!

NEW CONTROL! Hydraguide gives your hands on the wheel a new feeling of complete command at any speed. In city traffic . . . on awkward driveways . . . in snug-fitting garage entrances . . . you never felt such steering control in any car before!



NEW SAFETY! Even off the road onto a soft shoulder, Hydraguide helps keep your car steady and true with almost no effort . . . takes the jolt and strain out of driving in ruts, snow, or sand . . . makes steering many times safer than ever before!

Ground Work Laid For Forming School Safety Patrol

While traffic weaved carefully on and off the square, an Eastern Star meeting was in session above the city hall where a group of teachers and law enforcement officers laid the ground work for a safety patrol organization. Back of the movement is Chief of Police John King, a veteran peace officer who has had a wealth of experience in organizing safety patrol clubs.

The need for such an organization was expounded by state patrolman Bill Wells. As an example Wells told of a town that usually had 2 or 3 fatal accidents per year among its busy intersections where school children crossed. After this school organized a safety patrol there was one fatal accident concerning a school child in the following 15 years and this victim disobeyed a safety patrol officer.

In addition to making conditions safer for school children, Wells also reported that in this particular town between 25 and 30 full time cops would have been required to do the work which was done by the safety patrol. Both city and school profited by this organization which reduced both traffic hazards to children of school age and expenses of the city.

After explaining the benefits of such an organization, the patrolman proffered some suggestions about getting the safety patrol organized. It was pointed out that written permission would have to be obtained from the child's parents before that child could be placed on the patrol. Items which would be a necessity for members of the patrol would be a Sam Brown belt, a badge, a helmet and a raincoat for bad weather.

It was brought out that such a patrol would render outstanding service during play periods and fire drills. The patrol also offers an excellent method of stemming accidents in the vicinity of the school. Members of the patrol will take turns at working with regular shifts falling no oftener than every other day.

The spot where such an organization as the safety patrol is most desperately needed is the 4th Ave. and 24th Street crossing near the college. No pedestrian lanes are marked off and jay-walking is a common practice. There's no traffic light, no boulevard stop signs on either street. This leaves doubt as to who has right of way. The safety patrol might prevent an accident here before it happens.

It was pointed out that after the first donation to get the safety patrol organized, the group would be self supporting. The bare necessities per patrol official, they will be both boys and girls, will be approximately $4.40.

Teachers attending the meeting were: Supt. E. A. Wooten, Rex Reeves, Elva Fronabarger, Mrs. John Davis, and Al Kieselbach. About 24 patrol officials will be required to carry on the work in this vicinity.

WTSC Site of the District 1 Library Meeting - Luncheon

All school administrators, teachers, commissioners, judges, library trustees and others interested in library service have a cordial invitation to attend the October 20th meeting and luncheon at West Texas State College. This is the 3rd annual meeting of District 1 of the Texas Library Association.

Dr. Donald Strout, librarian of the University of Denver and Director of the School of Librarianship, will be the morning speaker and the coordinator of the buzz sessions of the afternoon.

The topics for the afternoon's buzz sessions are: the budget, reading-guidance, human relations in public relations and what district 1 can do to improve and expand library facilities in Texas. The meeting and luncheon will be held Saturday, October 20, at West Texas State College.

James Cundiff Gets Leg Injury

Coach Murry is having a bit of tough luck with the fellows holding down the left end of his gridiron squad. Monday afternoon James Cundiff broke one of the small bones in his leg. James makes the third left end lost during this season.

Buy, Build, Live in Canyon!

Mr. and Mrs. Bob Lentner and Bill Lentner of Roswell, New Mexico, spent the week-end in the homes of their grandmother, Mrs. Bertha Rhoads, and their aunt, Mrs. Levi Cole. Mr. and Mrs. Lentner are moving to Amarillo after being transferred by Southwestern Public Service Company.

Dick McDonald left September 29th for the Air Force. He is now at Lackland Field in San Antonio and he will receive his basic training at Sheppard Field in Wichita Falls.

During the absence of Rev. H. L. Thurston Sunday, Dr. James P. Cornette filled the pulpit at the Methodist Church.

Miss Jo Crabtree spent Sunday and Monday in Lubbock with her mother, Mrs. Leslie Crabtree.

Statement of the ownership, management, circulation, etc., required by the act of Congress of August 24, 1912 and March 3, 1933.

Of The Canyon News, published at Canyon, Texas, County of Randall:

Before me, a Notary Public, in and for the State and county aforesaid, personally appeared Clyde W. Warwick, who having been duly sworn according to law, deposes and says that he is the publisher of The Canyon News, and that the following is, to the best of his knowledge and belief, a true statement, etc., of the aforesaid publication for the date shown in the above caption required by the Act of Congress of August 24, 1912, embodied in section 411, Postal Laws and Regulations printed on the reverse of this form, to-wit:

That the names and addresses of the publisher, editor, managing editor and business manager are: Publisher, Editor, Managing Editor, Business Manager, Clyde W. Warwick, Canyon, Texas.

That the owners are: Clyde W. Warwick, Arthur C. Haley, Jr., and Charles R. Hillier, Canyon, Texas.

That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities, are: NONE.

That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months, preceding the date shown above is 1800.

CLYDE W. WARWICK.

Sworn and subscribed before me this 6th day of October, 1951.

(Seal) D. F. SANDERS,
Notary Public.

(My commission expires June, 1953.)

Randall County To Be Represented At State Fair

Next week at the Dallas State Fair Randall County will be represented by Buddy Bill Bennett. Buddy is an old hand at showing stock and will have a 1000 pound steer entered at the Fair. He has entered stock both in the Randall County Jr. Livestock show and the Amarillo Fat Stock Show.

The steer to be shown at the Dallas Fair will go to Dallas Monday. The steer was bred by W. C. Bennett who is a member of the Panhandle Plains Hereford Breeders Association. W. C. Bennett has been a Hereford breeder in this part of the country more than 25 years.

At the Dallas Fair Buddy's steer will be judged along with the others on Thursday the 18th. Two days later, on the 20th, the steer will be sold at an auction arranged by the Fair.

Mr. and Mrs. M. H. Taylor, Sr., Mr. and Mrs. M. H. Taylor, Jr., of Lockney and Mrs. G. B. Bourland spent Sunday in Amarillo with the M. H. Taylor's, Sr. daughter and family, Mr. and Mrs. Guy Davis.

Buffs Defeated in Hard Battle at Tucson Saturday

Coach Kimbrough's Buffaloes fought desperately against the more experienced Wildcats of Arizona University Saturday night but still dropped the game by 2 touchdowns. The Buffalo line held fairly well during the first half. Although the Wildcats were more experienced and heavy favorites to win the tilt, the halftime score was 7 to 0 in favor of Arizona.

The Buffaloes came out after the halftime break and put every bit of strategy they could muster into their plays. They took the first kick on their own 26 yard line. The excellent running of Tommy Airhart and the holding power of the line were instrumental in the first Buffalo touchdown. John Poindexter booted the extra point to tie the score at 7-7. As time began to run out in the 3rd quarter, the Wildcats lugged the pigskin to pay dirt and converted to once more lead the Buffs by 7 points.

After several fast exchanges of the ball Arizona once more picked up a touchdown and an extra point. This placed the score at 21 to 7, the Buffs trailing. The Cats intercepted a pass for their fourth touchdown. Once more the conversion was made and the score was now 28 to 7.

Then with only 1½ minutes left in the game, Tommy Airhart pushed the ball over for the second Buffalo touchdown. John Poindexter's kick went wide for his first conversion failure of the season and the final score was 28 to 13, Buffs trailing.

The Buffaloes held the Wildcats to fewer scores than most people thought they would. Saturday night the Buffaloes meet the North Texas State team in Amarillo.

Morris Cobb Spoke To Lions on Texas Laws Wednesday

Morris Cobb, state representative from this district, addressed the Lions Club last Wednesday. After the introduction by Gene McGlasson, Morris Cobb launched his speech on Texas government. He spoke on the new bills recently passed into law and gave an explanation as to why it was necessary to have such laws.

The Representative also explained several amendments to the Texas constitution that would be put before the voters in November. Among other things that the Texas legislature did was to set a definite Thanksgiving date. Starting with 1952 the Texas Thanksgiving day will be the fourth Thursday in November. Now people can make plans in advance as to how and when they will celebrate Thanksgiving in Texas.

With the coming of the new laws, an additional expense was placed on the state. In order to meet this expense new taxes were imposed. These taxes were arranged in such a manner so as to place the burden equally between such a large number of people that no undue hardship would be worked on anyone.

Some of the laws hit specifically by the representative were, the drivers' responsibility law. There was also an anti hot-rod law aimed at children under 18. The slot machine law was a step to curb organized gambling and crime from settling in Texas. Cobb also mentioned the new 'hot check' law which was recently made effective in Texas. Two new agricultural experiment stations to be located in the Panhandle were also mentioned.

Some of the other high lights of the luncheon were such facts as Clay Cooper arriving on time, the welcoming of two visitors and the installation of two new members. The visitors were J. D. Covington and Wilmer Graham. The new members were Jimmy Lattimer and Dr. M. B. Measamer.

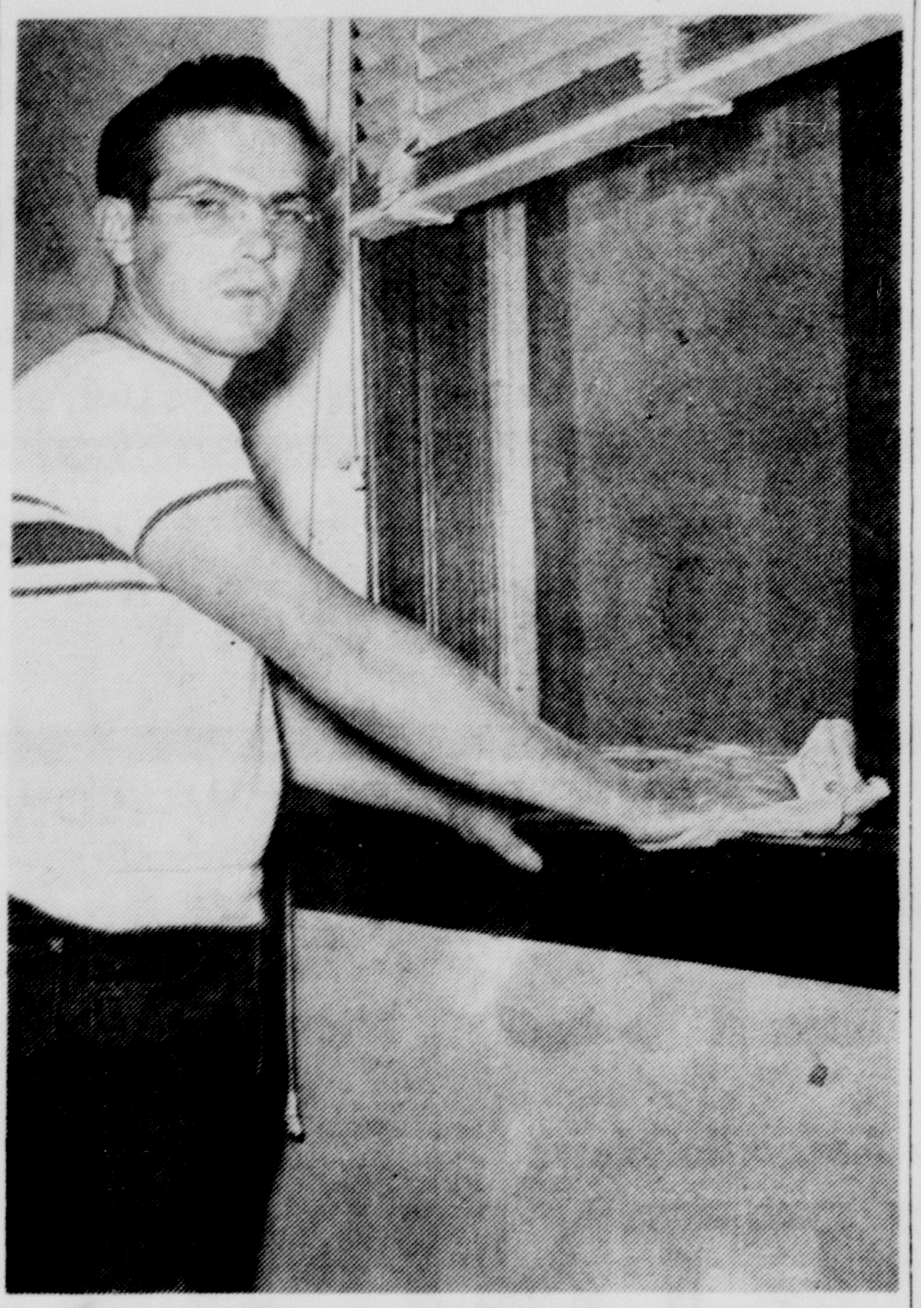
New Student Manager



CLAYTON KNAPP, junior accounting major from Panhandle, is WT's new student manager. Elected last week by the Student Council, he began his duties last Friday.

The 22-year-old manager is not without previous experience in his new job. He has served as office manager for the Pampa Chamber of Commerce and manager of the Top O'Texas Rodeo in Pampa.

A 1947 graduate from Panhandle High School, Knapp attended Draughon's Business College in Lubbock for two years before he decided to enter college at TCU in 1950. He transferred to WT last year. He has been married for one year to the former Erma Russell, also of Panhandle.

In his new role, Knapp is making plans for the painting of wainscoating and the refinishing of floors in the student union.

He believes that interest in the student union is low, but expresses hope that it will be raised. "The student union should be the best hangout on campus," Knapp said.

WHO? Knows

1. Name the main Japanese homeland islands.
2. Who is considered the most famous of horticulturists?
3. What is an erg?
4. Name the three sons of Noah.
5. What country contains more lakes and inland waters than any other in the world?
6. Who is the present Secretary of Commerce?
7. Identify Lady Elizabeth Bowes-Lyon.
8. What was O. Henry's real name?
9. Who wrote "True worth is in being not seeming . . ."?
10. On what date did World War II begin?

(See "The Answers" on Page 7.)

M. P. R. T. C. I. To Meet in Tulia

The Mid-Plains Rural Telephone Cooperative, Inc., recently received a loan exceeding $600,000.00 from the Rural Electrification Administration.

A meeting charting the expansion sourse is to be held in Tulia. The directors, who believe they are prepared to answer any question, have called the meeting for 8:00 p. m. on October 16, at the Tulia Schoolhouse.

ERDMAN SPOKE AT BORGER

Miss Loula Grace Erdman spoke at Borger at an A. C. E. guest program, Thursday, October 4. She will speak at Hutchinson, Kansas, in the Kansas State Library Association meeting of Oct. 12.

Mr. and Mrs. R. D. Lowry spent Sunday in the home of Mrs. A. W. Gill of Miami.

Wayside News

Rev. Bill Thomson filled his regular appointment Sunday morning and was dinner guest in the W. R. Franklin home.

We were glad to welcome Mrs. Preston Kiser and children at Church and Sunday School. They are living on the Doan place and have recently moved from Arkansas.

The Glen Mahler family of near Borger were week-end guests in the parental E. J. Mahler home.

Mr. and Mrs. Clifford Carter of Cox, Oklahoma, have been visiting in the Roy Dodson home.

Mr. and Mrs. J. R. Kennedy and children of Albany visited over Sunday in the parental J. R. Stockett home.

Mr. and Mrs. Jack Buster of near Hereford were here last week with her mother, Mrs. Fannie Stevens. They were exchanging work harvesting their crops.

George Denny is still in the hospital but improving.

Guests in the J. R. Stockett home Sunday to celebrate his birthday were: the J. R. Kennedy family of Albany, the Roy Stockett family of near Tulia, Mr. and Mrs. Billy Spann of Amarillo, Billy Jo Kennedy of Canyon, and the Charles Kennedy family of Wayside.

Mr. and Mrs. W. R. Franklin attended church at the Assembly of God Church in Canyon Sunday night.

The Home Demonstration Club met with Mrs. Lea Duke last Thursday afternoon. The agent, Miss Pauline Cumpsten could not be present. Delicious refreshments were served to sixteen members, Mesdames Dan Adams, Floyd Adams, John Thomas, Less Raymond, E. J. Mahler, Melton McGehee, Wyatt Heisler, Bill Heisler and Frances Lee, Bud Roberts and Princess, I. F. SoRelle, Buck Grimes, Floy Moudy, Guy Watson, Henry Hamblen, W. R. Franklin, Chas. Kennedy and two visitors, Mesdames Garnett Thomas and Tom Moudy and children.

WEST SIDE H. D. CLUB WILL MEET OCTOBER 17

The West Side Home Demonstration Club will have its regular meeting on October 17 at 2:30 in the home of Mrs. Babe Burrus.

Mr. and Mrs. L. C. Moreman attended the funeral of Mrs. Moreman's aunt, Mrs. J. R. Hudson of Dalhart Monday. Mrs. J. R. Hudson is a sister of Mrs. H. C. Hudson, mother of Mrs. Moreman, who is making her home with the Moremans. Mrs. Hudson passed away Saturday.

Mr. and Mrs. Murrell Latimer, Jim Latimer and son, James, visited relatives in Matador over the week-end.

Ford Foundation plans to conduct its own "Point Four."

Eisenhower sets size of German Army at 175,000 men.

Help Keep Canyon Clean!

Just Between You, Me, and The Gatepost

The Rev. Strauss Atkinson was back in the pulpit at the First Baptist Church Sunday after holding a two week revival in Pecos. He returned just in time to be here for the two week revival to be held by Clifton Brannon and Raymond Jones.

If you're not a baseball fan, last Wednesday was probably just another day for you. The baseball fans who heard the game between the Brooklyn Dodgers and the New York Giants won't be forgetting it for some time to come. Even a large number of fans turned the radio off during the 6th inning. John Brazzill, the county agent, figured he'd heard enough to satisfy himself that Brooklyn had won the game by the 6th inning. He turned the radio off and went out to a barbecue at the experiment farm near Bushland. Later he and other baseball fans alike wished they had listened. In the 8th and 9th inning the game grew to pulse racing proportions. The Giants pulled the game out of the fire and won in the final inning. Those who missed it really missed something. The game was the kind to make a fan draw a long breath, mop his brow and exclaim, "Whee, what a game!"

Chief of Police John King is somewhat perturbed by some of the activities in the vicinity of the college campus. The cop says he knows a great deal about these vandalistic activities but hopes the situation will not grow large enough to warrant any intervention on his part. It seems that beer cans and other debris are being dumped on and near the campus. Maybe we should have some illuminated signs showing where the dump yard is located so people could see how to get there even when it's dark.

It looks as though the Iranian situation has been settled and the British Lion's tail has received another twist. The twister of the Lion's tail here has altogether a different meaning. Lindsey Taylor is the tailtwister and he does the work each Wednesday when the Lions Club meets for luncheon. In fact there are people who will tell you that Lindsey had rather twist the Lion's tail than to eat. At any rate there are times when he passes up a delicious lunch at club until his tailtwisting duties are performed. If we ever need an experienced Lion's tailtwister, we have one.

Cecil Massey, who has been in Boston hob-nobbing with the bean boys, will probably be back in town before this goes to press. Seriously, Cecil was given a wonderful opportunity to let the entire United States know of the advances we have made in community entertainment. Cecil has been instrumental in conducting many entertainment features in this community as well as several others.

There's an old saying that, 'only a fool or a newcomer predicts the weather in Texas.' Many who give this old adage a moment's thought are apt to feel a little chagrined because a great number of folks have recently made some prediction concerning the weather. After the first cold wave hit, more than a month ago, folks got out their winter clothes. Another cold front following closely on the heels of the first one clinched earlier suspicions of a long, hard winter.

Now Indian summer has turned the heat on. The cold waves have been sent scurrying into oblivion and warm weather has returned. Folks are climbing back into summer gear and wondering if there will be anymore cold weather this winter. The moral of this story is, 'don't try to predict the weather in Texas, just be prepared for anything at any time.'

Anne Crone, columnist: "Nothing is so painful in restrospect as the thought that we ourselves have brought about the cause of our grieving."

Charles de Loes, Swiss banker: "Not without reason, worldwide inflation has been called Public Enemy No. 1 of all sound economy."

Warren R. Austin, U. S. Delegate to the United Nations: "Instead of walking out, Mr. Gromyko is now walking in."

Charles E. Wilson, Defense Mobilizer: "Our might must be built of men and guns and a strong economy."

Herbert H. Lehman, U. S. Senator from New York: "Our concept of human freedom must be global."

When Mean Colds Stuff You Up

It's so easy to relieve coughs and stuffiness of colds in a hurry this *home-proved* way . . . with 2 spoonfuls of Vicks VapoRub in a vaporizer or in a bowl of boiling water as directed in package.

Just breathe in the steam! Every single breath carries VapoRub's soothing medications *deep* into throat and large bronchial tubes. It medicates irritated membranes, helps restore normal breathing. For coughs or upper bronchial congestion there's nothing like using Vicks VapoRub *in steam.*

For continued relief always rub it on throat, chest and back.

Hood-Snyder Exchange Nuptial Vows In Informal Home Ceremony Sunday

MR. AND MRS. GEORGE SNYDER

In an informal ceremony Sunday afternoon, September 30, at 3:00 o'clock, Miss Edna Sue Hood became the bride of Cpl. George Carl Snyder in the home of her parents, with the Rev. Joe F. Watson performing the double ring ceremony.

Miss Hood is the daughter of Mr. and Mrs. S. R. Hood of Canyon and Mr. Snyder is the son of Mr. and Mrs. George H. Snyder of Leavenworth, Kansas.

Mrs. Houston Bright, pianist, played "Because" by D'Hardelot as a pre-nuptial selection. Houston Bright sang "Always" by Berlin. "Intermezzo" by Provost furnished the background for the exchange of vows. The traditional wedding march was used.

The mantle was flanked with pink asters surrounded with fern and ivy. Seasonal flowers were used throughout the remainder of the home.

The bride's only attendant, Miss Betty Lou Hood, twin sister, was attired in a purple velvet two piece street length dress. Black accessories accented the dress with a corsage of pale pink asters.

C. L. Hood, brother of the bride, was best man.

Given in marriage by her father, the bride wore a dusty rose gaberdine street length suit accented with navy blue accessories. The bride's bouquet was of gardenias surrounded by sweetheart roses with white satin streamers mounted on a white Bible given to her by her first teacher.

The bride's mother, Mrs. S. R. Hood, wore a navy blue crepe dress with navy blue accessories and pale pink aster corsage. The mother of the groom was unable to attend.

Following the ceremony, a reception was held in the home of the bride's parents. The table was laid with a white linen dinner cloth centered with a three tiered wedding cake, mounted on an heirloom cakestand belonging to her great-great-grandmother; punch in crystal service set, and crystal candleholders. The bride's bouquet served as the centerpiece. Miss Helen Meredith of Plainview presided at the guest book. Misses Dorothy Brown and Lorena Piper served, assisted by Mrs. C. E. Meredith, aunt of the bride, of Plainview.

After a twenty-day wedding trip, the couple will be at home in Wichita Falls where the bridegroom is stationed.

Mrs. Snyder is a graduate of West Texas High School and a member of the National Honor Society. She was a junior at West Texas State College where she was a member of the A Cappella Choir and Girls Treble Ensemble. Mr. Snyder is a graduate of Leavenworth High School and immediately upon graduation went into the Air Force.

CANYON LADIES AID TRINITY LUTHERAN CHURCH MET OCT. 4

The Canyon Ladies Aid of the Trinity Lutheran Church met in the home of Mrs. William Schuette, October 4.

After the meeting the Rev. Martin Hartenberger read the history of the Canyon Lutheran Church which dates back to the early 1900's. Church services are now held in Amarillo.

Pastor A. M. Lohmann, one of the early day ministers, gave an interesting talk on church services held at that time. He was the first pastor when the Lutheran Church was organized in 1910, five miles east of Canyon. Many old timers will remember him when he preached in Canyon. Pastor Lohmann will be the speaker for the 30th anniversary of the Trinity Lutheran Church in Amarillo on Sunday, October 7th.

Delicious refreshments were served to the following: Mrs. Alvina Leseberg, Mrs. Raymond Tucek, Robert, Clinton, Linda, and Diane, Mrs. Henry Meyer, Mrs. Loys Knox, Mrs. George Albers, Mrs. Fred Gerdsen, Mrs. Herbert Kuhlman and Deborah, Mrs. Walter Boehning, Mrs. Leroy Boehning, Karen, Judy, and Clifford, Mrs. Gus Leseberg, Mrs. Erwin Meyer, and Nancy, Mrs. Henry Miller and guests: Pastor Martin Harengerger and Harriet of Amarillo, Mrs. Ida Schuette of Canyon, Pastor A. M. Lohmann of Minnesota, and Mr. Lohmann of Minnesota and Mr. Henry Miller of Canyon.

NOAMI CLASS HONORED WITH PARTY THURSDAY, OCTOBER 4

The Noami Sunday School Class of the First Baptist Church was honored with a party Thursday evening, October 4, in the home of Mrs. Aubrey Crossland with Mrs. Clay Cooper as co-hostess.

Officers for the new year were elected. They are as follows:

President, Mrs. Leslie Key, vice-president; first vice-president, Mrs. Ralph Ruthart; second vice-president, Mrs. Joe E. Rogers; third vice-president, Mrs. R. D. Wheelock; fourth vice-president, Mrs. Richard Gidden; secretary-treasurer, Mrs. Roy Franklin; group captains, Mrs. J. C. Keeling, Mrs. Clay Cooper, Mrs. J. C. Jarnagin, Mrs. Aubrey Crossland, and class teacher, Mrs. Crews Henry.

Immediately following the election, Mrs. Strauss Atkinson installed the new officers.

Mrs. Clay Cooper introduced Miss M. Moss Richardson who told the story called "Mothers of Men."

Refreshments of a salad course and coffee were served to the approximately fifteen present.

Mr. and Mrs. J. H. Kelley of San Gabriel, Calif., and daughter, Mrs. S. F. Legg of Cando, North Dakota, arrived Wednesday to visit in the Fred Standley home.

SILENT ANGER

In savage silence the baffled golfer deliberately broke the offending club across his knee, and flung it far into the rough.

"A silly thing to do," observed his opponent.

"It's better than losing one's temper," he muttered.

Few men survey themselves with so much severity as not to admit prejudices in their own favor. — Samuel Johnson.

Home Demonstration Agents Hear Modern Landscaping Plans

Miss Sadie Hatfield, specialist in landscaping from Texas A&M Extension Service, conducted a training meeting on landscaping for County Home Demonstration Agents Thursday in the Courthouse. This particular phase of work ranks of minor importance in the duties of Home Demonstration Agents, but it is necessary that they keep posted on the latest developments of landscaping.

In order to study landscaping at close range, the ladies took a field trip and visited three yards. Plans for next year's landscaping were discussed. The ladies were also brought up to date on various insecticides.

Besides Miss Lou Ella Patterson, Randall County Home Demonstration Agent, and the specialist conducting the meeting, there were six visitors. All of these visitors were neighboring Home Demonstration Agents. Mrs. Tom Draper from Hereford, Miss Pauline Lokey from Amarillo, Miss Corinne Stinson from Dalhart, Miss Dorothy Dixon from Stratford, Miss June Gibbs from Spearman and Miss Helen Dunlap from Pampa, were the visitors.

Although it is not an extensive part of the duties fulfilled by Home Demonstration Agents, landscaping is an important thing for them to know. They often get inquiries about various landscaping problems. By keeping up to date on this phase of work, the Home Demonstration Agents are able to help out with these problems.

BID 'R BYE BRIDGE CLUB WITH MRS. M. D. SHEPHERD

Mrs. M. D Shepherd entertained the Bid 'R Bye Club in the home of Mrs. Loyd Devin on Thursday evening, October 4. The evening of bridge followed a dessert course.

High prize was awarded to Mrs. Perry Bell; Mrs. T. S. Stevenson won low prize and Mrs. Elmer Wooten claimed the duece prize.

Guests were Dr. Leta Boswell, and Mesdames W. T. McGregor, T. S. Stevenson, W. E. Miller, and Roger Haberer. Members present were Mesdames Perry Bell, Robert Bellah, Cliff Mlinar, Loyd Devin, Charles Wright, Elmer Wooten, Borden Price, H. R. Fulton, and M. D. Shepherd, hostess.

DALE PITTS HONORED WITH THEATER PARTY SATURDAY

On Saturday afternoon, Mrs. Shirley Pitts honored her son, Dale with a theater party on his ninth birthday. After the show, refreshments of dixie dogs, pop, and cake were served to Duane Clay, Jimmy Harding, Carolyn Glazener, Nancy Cleavinger, Debs Harris, Eddie Pettit, Freddie McCormick, Linda Lee, and Judy Wilson.

Those sending gifts were Ronnie Hughes and Patsy Ray Morgan.

MRS. FRED MARSHALL HOSTESS TO MOTHER-IN-LAW CLUB

Mrs. Fred Marshall will be hostess to the Canyon Mother-in-Law Club at her home, 903 6th Ave., at 2:30 p. m. October 11. Co-hostesses will be Mrs. John Hilgenfeld, Mrs. E. C. Hawes, and Mrs. J. C. Hutchinson.

CHIVALRY NOT DEAD

Gertie: "I heard your new boy friend is very polite."

Bertie: "Oh, yes. He has excellent manners. Every time I drop something, he kicks it over to where I can pick it up more easily."

What's the fastest-growing line of trucks in America?

LOOK around you—in cities, on farms, at terminals and loading docks—*wherever goods are moved on wheels.*

More and more, the pay load's packed on a GMC.

You see those letters on medium and heavy Diesels, the most economical workers in their field. For GMC means first in Diesel power.

You see gasoline-powered GMC's front-running the highways of America—pace-setting delivery of the necessities of peace and war.

You see nimble bantamweights of the family—the highest-powered ½- to 2-tonners made—outpulling, outhauling every other truck in their class.

Ever wonder why GMC is gaining a greater percentage of the industry than any other truck-maker?

Ask the truck drivers themselves.

See the confident way they talk of the power plants, the broad-shouldered chassis—the way a GMC handles.

Ask about the tons they've hauled, the miles they've logged—the nip-and-tuck schedules they've licked time and again.

Ask these cost-wary haulers why they've made GMC the fastest-growing fleet in the land.

They'll tell you it's because GMC is the finest motor truck made.

If you'll come in, we'll show you why we think they're right.

Celebration of Paving Is Planned In Palo Duro Park

An opening celebration of the paving in Palo Duro Canyon has been tentatively set for December 2. This date was suggested by John McCarty last Thursday during a meeting with the Tourist and Publicity Committee of the Amarillo Chamber of Commerce.

In making his suggestion about the date to celebrate the grand opening upon completion of the work, McCarty expressed the desire that all members of the joint committee be informed of the date to determine whether or not it meets with unanimous approval.

A letter has been sent to all members of joint committees asking whether or not the suggested date meets with their approval. At this early date only tentative plans are being made.

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get *gentle* but *sure* relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's *all-vegetable*. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest *natural* laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief *comfortably*. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Chicken Hearted Audience

Milton Berle tells of the touring circus in Europe, which advertised that an 83-year-old man would dive 90 feet into six inches of water. The place was jammed, and then the bent, bearded and wizened man walked out onto the platform.

"I am 83 years old," he announced, in a thin, wailing voice, "83 years old. And to make a living, I have to dive 90 feet into that tub. Imagine your own fathers, or grandfathers—at the age of 83 having to dive 90 feet. A young person could get killed doing such a thing, and I'm 83. Tell me," he wept, "shall I dive?"

"NO," the touched audience shouted in chorus.

"Then," said the 83-year-old man, "will you please clear the stadium and make room for the next audience?"

The Last Time

A problem child was becoming too well acquainted with the principal's office. One day the principal showed her annoyance. "This makes the fifth time I have punished you this week. What have you to say for yourself?"

"I'm glad it's Friday."

KNOW THYSELF

On a trip to London, Andrew Carnegie was seated in the non-smoking carriage when one of the passengers lit an evil-smelling stogie.

"This is not a smoking car," protested Mr. Carnegie.

"All right, governor," replied the man. "I'll just finish this one cigar." But after finishing it, he pulled out a second stogie.

"See here," warned Carnegie, "if you persist, I will notify the guard at the next station." And he handed the man his card to let him know whom he was annoying. The smoker glanced at the card, stuck it in his pocket, and touched a match to his stogie. At the next station, however, he changed to another carriage.

Still angered at the man's insolence, Carnegie reported the incident to the guard and demanded that some action be taken. The guard hurried away, but returned a few minutes later with a card in his hand.

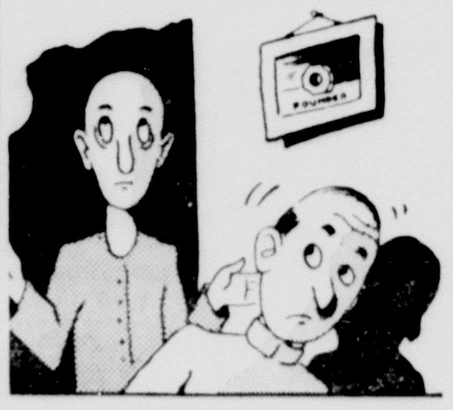
"If I were you," he advised, "I would'nt try to prosecute that man. He just gave me his card. He's Andrew Carnegie."

Asleep at Her Post

Policeman: "And just how did the accident happen?"

Meek Tourist: "My wife fell asleep in the back seat."

HOW STRANGE!



A male nurse in a mental hospital noticed a patient with his ear close to the wall listening intently. The patient held up a finger as a warning for him to be very quiet; then beckoned him over and said: "You listen here."

The nurse put his ear to the wall and listened for some time, then turned to the patient and said: "I can't hear anything."

"No," said the patient, "and it's been like that all day."

Humane

Boss: "Why are you quitting, Joe? Are your wages too low?"

Joe: "Nope, wages are OK, but I'm keeping a horse out of a job."

ANCIENT JOKE

The farmer, his business in town concluded, was driving homeward when he heard the fire siren and dutifully guided his horse and wagon to the curb. After the engine whizzed by he started up again. But the hook-and-ladder truck came zooming along and smashed squarely into the farmer's wagon.

"Didn't you hear the siren?" asked the cop as he helped the farmer from the wreckage.

"Yes, and I let 'em go by," said the farmer. "And then along came that truckload of drunken painters!"

No Vacancy

Jane: I see by the paper, Sweetie, it looks like they're going to make Alaska the 49th state.

Irma: But where are they going to put it, Jane? I've seen the map of the United States and it's all filled up.

The gods help him who helps himself. —Euripides.

Traffic Lights Appearing South of the Border, Senor

Another American brain child has migrated south of the border!

According to the American Public Works association, traffic lights, long a puzzle to stateside visitors from Central and South America, are beginning to appear on street corners of Latin American cities San Salvador, El Salvador, is one of the first large Central American cities to adopt the signals, and according to all reports, even the taxi drivers—everywhere the most caustic critics—like the import.

The change-over in determining right-of-way of the road from the rule of the horn to the rule of the lights, was not accomplished without travail. When the stop-and-go signals were first introduced late last year, there was no end of confusion. Some drivers moved only on red; others always stopped on green. And the amber threw everyone into complete state of confusion.

The law put a quick stop to the confusion by distributing handbills explaining what the lights were all about. Then, to insure that the motorist read and obeyed the instruction sheet, the city set the fine for running stop lights at 25 colones—El Salvador's version of the dollar but which is worth only 40 cents in American money. Effectiveness of the signals was noticeable immediately. The accident rate dropped considerably, and today the traffic moves along the street of the capital city with a minimum of horn-blowing.

A second factor that has contributed to the flow of traffic was a crackdown on the lumbering oxcarts that creaked their way through the city's narrow streets. Today, none may be driven down the streets in the business section of the city.

Smart Motorist Can Have Trouble-Free Vacation Time

Now is a good time for those auto owners who plan to use their cars for late vacation trips to take stock of their equipment.

A motoring vacation, says the B. F. Goodrich Company, can be troublefree and pleasant, if motorists devote a little thought and time to planning the trip. First, it suggests a thorough check-up of the car by a competent mechanic. This should include brakes, lights, ignition and all tires—including the spare.

The rubber company recommends that motoring vacationists use the following check list:

1. Put an extra fuse in the glove compartment. 2. Carry a spare ignition key just in case you happen to lock yours in the car. 3. Get a small first aid kit for the glove compartment. 4. A small, efficient fire extinguisher may come in handy, too. 5. Don't forget to have your car lubricated at recommended intervals 6. Write or wire in advance for reservations at the hotels or motels where you expect to stay. 7. Don't carry too much cash—use travelers' checks.

8. Carry a spare gallon of gas in a safety tank. 9. Observe and familiarize yourself with local and state traffic regulations. 10. Make sure your tool kit is in the trunk. 11. Check possible detours with local gas station or tire dealer. 12. Plan daily mileage so that you can reach each day's destination leisurely. 13. Check tire pressure at regular intervals, but always when tires are cool. 14. Load car systematically so vision will not be obstructed in any direction. 15. Check battery frequently.

And drive carefully, reminds BFG, like you want to see tomorrow.

All Out!

In Australia conductors do no call out the stations. Nor does a caller at the departure point call out the train's way-point stations. This is easy to understand when you try to imagine a conductor twisting his tongue with the following: "All aboard for Pinkenba, Meeandah, Doomben, Enoggera, Deagon, Boondall, Nudgee, Banyo, Nandah, Toombul, Wooloowin, Toowong, Taringa, Indooroophilly, Corinda, Oxley, and Darra!" That is an actual itinerary, and is really quite simple when you compare it to some of the other runs. Another sample is: Woolloongabba, Boonah Goodna, Toogoolawah, Gin Gin.

Seismograph Principle

If you put a coin on a piece of paper, and suddenly pull the paper away, the coin will not move, because of its inertia. A seismograph has a relatively heavy mass which is delicately balanced. When the ground vibrates as waves from an earthquake go by, this mass tends to remain still like the coin, while the earth moves under it. Various electrical and mechanical methods are used to detect and to amplify the relative movement of the heavy mass and the ground.

Optic Topics

Almost everyone is familiar with the term, "20/20 vision," but how many people know just what it means? If you can see small objects or letters at 20 feet—objects or letters that can be seen by the "normal eye at that distance—you have 20/20, or normal, visual acuity, says the Better Vision Institute. If the normal eye can see an object at 200 feet and you can't discern it beyond 20, you have 20/200, or extremely poor, visual acuity. In fact, from a legal point of view, you are blind.

Fechteler to keep Sherman policies as Naval Operations head.

Classroom Teachers Stage Fall Round-up

The "Fall Round-Up" of the Canyon Classroom Teachers took place in the High School Cafeteria, October 2 at 7:30 p. m. A ranch setting with corral, saddles, branding-irons, tumble-weeds, lanterns, bridles, yucca, hay and campfire, as designed by Miss Claudia Neelley and T. L. Devin, gave a realistic background for the western costumes of the teachers and guests.

The "chuck-wagon" supper, prepared by "top hands," Mesdames Irene Beard, Nadene Lisle, and Camille Bell, was served from tables covered with the "old-time red and white checked cloths." Candles in tin cans as holders gave a magical air.

A Western band, consisting of high school and college students, supervised by Herman Demus and Clyde Swatzell, played appropriate music as the guests gathered and early arrivals stepped lightly to the music of "Put Your Little Foot."

Upon entering, each guest was labeled with the name of a well-known pioneer, and was called by that name during the evening. Such names as Buffalo Bill, Judge Roy Bean, Mickey McCormick, Diamond Lill, and Mary Ann Goodnight rang through the hall as their bearers entered into the festivities of the occasion.

Miss Mae Simmons, research director and "Labeler," dressed in a pioneer costume of the '80's, was in charge of naming guests, and Mrs. Tommie Montfort, wearing the costume of the early stage, was mistress of ceremonies.

The informal program given by instructors who were animated by the western spirit, featured Miss Ada V. Clark with her "Hillbillyettes," Mesdames A. K. Knott, Alma Perkins, A. K. Goodman, Roscoe Davis, Joe Findley, Irene Beard, and Huvelle Brasher. They screechingly rendered "Clementine" and "She'll Be Comin' Round the Mountain." Mrs. Cecil Simms, after riding into the room on her wooden charger, dismounted to give a dramatic rendition of "Lochinvar." A Spanish dance presented by Mrs. John Davis and Mrs. Mitchell Jones as puppets in a characteristic rhythmic pattern while Miss Alice Payne and Mrs. A. L. Walsh performed as dancers.

Miss Virginia Bailey as Mickey McCormick, in a gay nineties costume, sang two cabaret solos. An old-time melodrama entitled, "Little Nell" concluded the evening's program. Characters of the play were: Little Nell, Mrs. Joe Findley; The Father, Joe Findley; The Villian, Dr. A. K. Knott; and the Constable, R. D. Wheelock.

Judge Roy Bean, Principal J. E. Miller, judged the bean contest and declared George Cristy the winner. Mr. Cristy received as a prize a music box that plays "Buttons and Bows."

Following the group singing, Mrs. Camille Bell, president of the organization, closed the gates of the "Round-Up" until the regular meeting in November.

PRECIOUS CHILD

Little Claude's mother had reluctantly allowed her precious child to attend public school. She gave the teacher a long list of instructions. "My Claude is so sensitive," she explained. "Don't ever punish him. Just slap the boy next to him. That will frighten Claude."

EASY TO SEE

The stories of Cinderella and Snow White have been banned in East Berlin as "unsuitable for progressive children." Easy to see why, too, from the Communist viewpoint: one concerns rich folks and the other people who whistled while they worked.

ABOUT TIME

The Senate Judiciary Committee approves a constitutional amendment for equal rights for women. It's about time we passed a law making them no better than the rest of us.

MUST BE

Religion has been described as that which you have if you continue dressing for church after the Sunday paper has been thrown on the porch.

WHAT WE NEED

What this country needs is a permanent wave as permanent as a temporary tax and a temporary tax as temporary as a permanent wave.

IN THESE INFLATED TIMES

General Sir R. Gale, director of military training, believes the accurate, simple, robust, self-loading .280 rifle is "a weapon which will give us the ability to kill economically; that is a very fine thing if we can do it.

Guy E. Snavely, executive director, Association of American Colleges: "The public must come to realize that they must support our accredited colleges, else we perish."

Cora Kasius, social leader: "Europe, like America, is learning more about the human being and his needs."

West to expand Berlin air fleet to move blocked cargo.

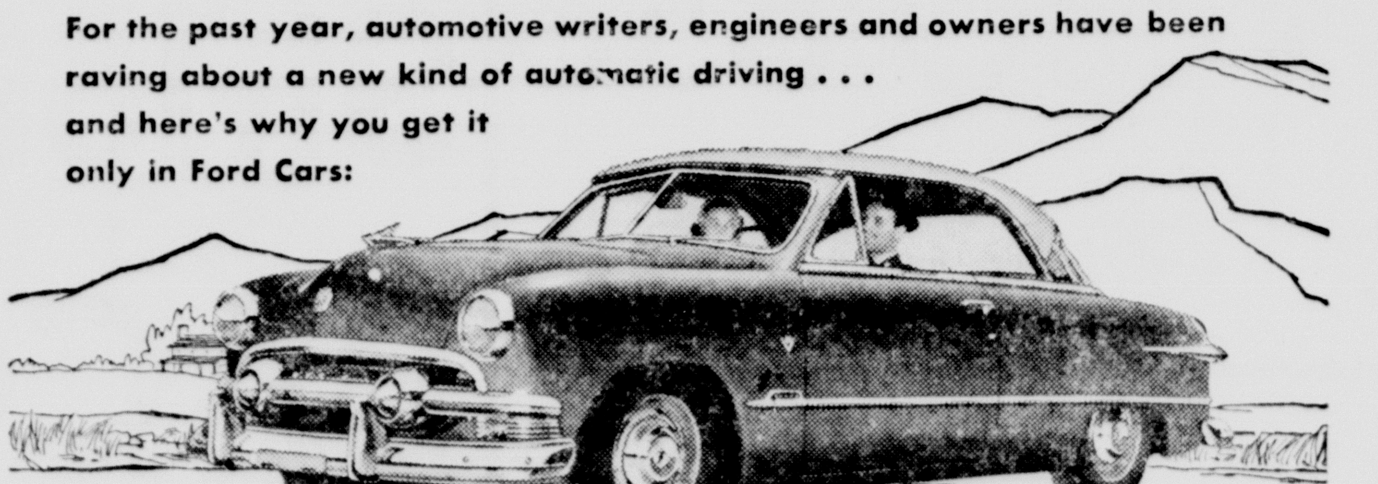
Here's why Fordomatic puts them all in the past!

For the past year, automotive writers, engineers and owners have been raving about a new kind of automatic driving . . .
and here's why you get it
only in Ford Cars:



All the power you need when you need it!

It gives you instant "GO"!
It practically drives itself!

Some automatics have this

The automatic drive some cars offer you is a torque converter which multiplies torque without the use of gears. Its advantage is a smooth flow of power. Its disadvantage is a smaller range of torque multiplication which requires more power from the engine and an uneconomical axle ratio which increases costs.

Some automatics have this

Other cars offer an automatic drive that uses automatic gears (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

But Fordomatic has both

Yes, Fordomatic has a torque converter plus automatic gears. It brings you only the advantages of both drives.

Unlike cars with only a torque converter (which start and cruise all in one drive gear), Fordomatic starts fast and smooth in Intermediate Gear then shifts itself into Drive Gear.

See our selection of A-1 USED CARS

Fordomatic FORD

Fordomatic Drive optional on V-8 models at extra cost. Equipment, accessories and trim subject to change without notice.

Eagles Perch a Week; Prepare To Meet Bulldogs

On the lawn carpeted lot south of the high school building Coaches Floyd Murry and Lloyd Johnson are whetting up the talons and stamina of the Eagles for this week's game with Olton's Bulldogs. An open frame in their schedule gave the Eagles a well deserved rest last Friday night. Even though there was no game, the team did not relax training during the week.

Coaches Floyd Murry and Lloyd Johnson put the Eagles through their training in a rigorous manner. The game with Olton is expected to be one of the hardest of the season. Olton has most of last year's good football players back this year. In addition to these, Olton has consolidated with another school which brought in some very good players. Some of the Olton backfield as well as the line is made up of 180 pounders.

On a muddy field in a downpour of rain, the Eagles lost their first game of the season to Dumas. The score was 13-6. Although it's hard to tell what may have happened if the weather had been pretty, the fact remains that Dumas won the match. Olton has also played Dumas and remained ahead of them most of the game. Dumas pulled the game out of the fire during the final minutes.

So, when you look at it from a purely statistical point of view or from the practical point of view, you can see where the Eagles are going to have to use both talons and wits in this game. The game is to be played Friday night in Buffalo Stadium. Fans can expect plenty of action and spectacular plays from both of these highly trained teams.

A part of the Eagles' wings received a clipping last Thursday afternoon when Stirling Cummings was admitted to Neblett Hospital. An appendectomy was performed soon after he was admitted and by Friday afternoon his condition was reported as good, but he won't be in the line-up against Olton.

NOTICE

Members and others interested in the Lakeview Cemetery Umbarger.

There is hereby called a meeting of members and others interested in the Lakeview Cemetery - Umbarger.

The meeting is to be held in the Randall County District Courtroom at 10:00 a. m. Saturday, October 27th, 1951, for the purpose of electing trustees and handling other business matters.

Traffic Violations Create Problem For Police Department

Memory is a peculiar thing. Most people turn it on and off like a water faucet. Proof of that fact lies in the number of traffic safety regulations broken daily. Even though a large sign just south of the underpass warns motorists of the 25 mile speed limit, motorists picked up doing 50 miles per hour less than 1 mile after passing the sign, can't remember or didn't see the huge black and white placard.

It is an established fact that more than 10% of the automotive traffic ignores the traffic light on the highway at 4th Avenue. Of course some of these are traveling people rushing through town, but a great many of them are local folks. Traffic lights, boulevard stop signs and speed limits are for the protection of the people. When these protective measures are ignored, it indicates lack of consideration on the part of the violater.

The strange paradox to this case is the fact that the violator, in almost every instance, who stops him or gives a ticket. A number of excuses, so pitifully thin that a child could instantly spot the fallacy of them, are offered. A traffic cop must take such flimsy excuses in stride. He must show proper respect even though an irritated motorist often makes such remarks as, "things are getting pretty bad when you have to pick on me for a fine," and other stinging remarks equally as bad.

Traffic laws are made to protect humanity. These laws can only be effective when they're observed by humanity.

Mr. and Mrs. Kenneth Dismucke have moved to Idalou, Texas. Mr. Dismucke will coach and she will teach Home Economics.

SHOULD BE EXPERIENCED

The very rich man was interviewing an applicant for the job as his personal valet.

"You may have trouble with me," he said. "I have a wooden leg, a glass eye, a toupee, an artificial arm and false teeth."

"That won't bother me," replied the applicant. "I used to be on the assembly line at Lockheed."

TERRIFIC SPEED

A jet plane pilot had the job of carrying a Very Important Person to New York City. After a short time in the air he turned to the big shot: "We missed New York, sir. We'll have to circle back."

"How could you possibly miss a huge city like New York?" blustered the VIP.

The pilot confessed: "I blinked."

IDEAL SET-UP

Two men were discussing the coming marriage of their buddy.

"He is getting a wonderfully accomplished girl," said one. "She can swim, ride, drive a car, and pilot a plane. A real all-around girl."

"They ought to get along," observed the other. "He learned to cook in the army."

John Foster Dulles, U. S. Ambassador-at-Large: "The best things in life are achieved by co-operation."

The Answers . . .

1. Honshu, Shikoku, Kyushu and Hokkaido.
2. Luther Burbank.
3. A unit of electrical energy.
4. Shem, Ham and Japeth.
5. Canada.
6. Charles Sawyer.
7. The present Queen Elizabeth of England.
8. William Sydney Porter.
9. Alice Carey, in her poem, "Nobility."
10. On Sept. 2, 1939, when Germany swept into Poland.

GOOD REASON

The defendant acknowledged that he hadn't spoken to his wife in five years and the judge put in a question.

"What reason have you?" he asked severely.

Replied the husband, "I didn't want to interrupt her."

Jesse M. Donaldson, Postmaster-General: "I have no desire to get into a gutter argument with an egocentric person."

SOMETHING NEW

The long-winded lecturer had been holding forth for over an hour, except for brief pauses from time to time to gulp a hasty drink of water.

Finally, during one such pause, an old farmer in the audience leaned toward his neighbor and announced in a loud whisper: "First time I ever saw a windmill run by water."

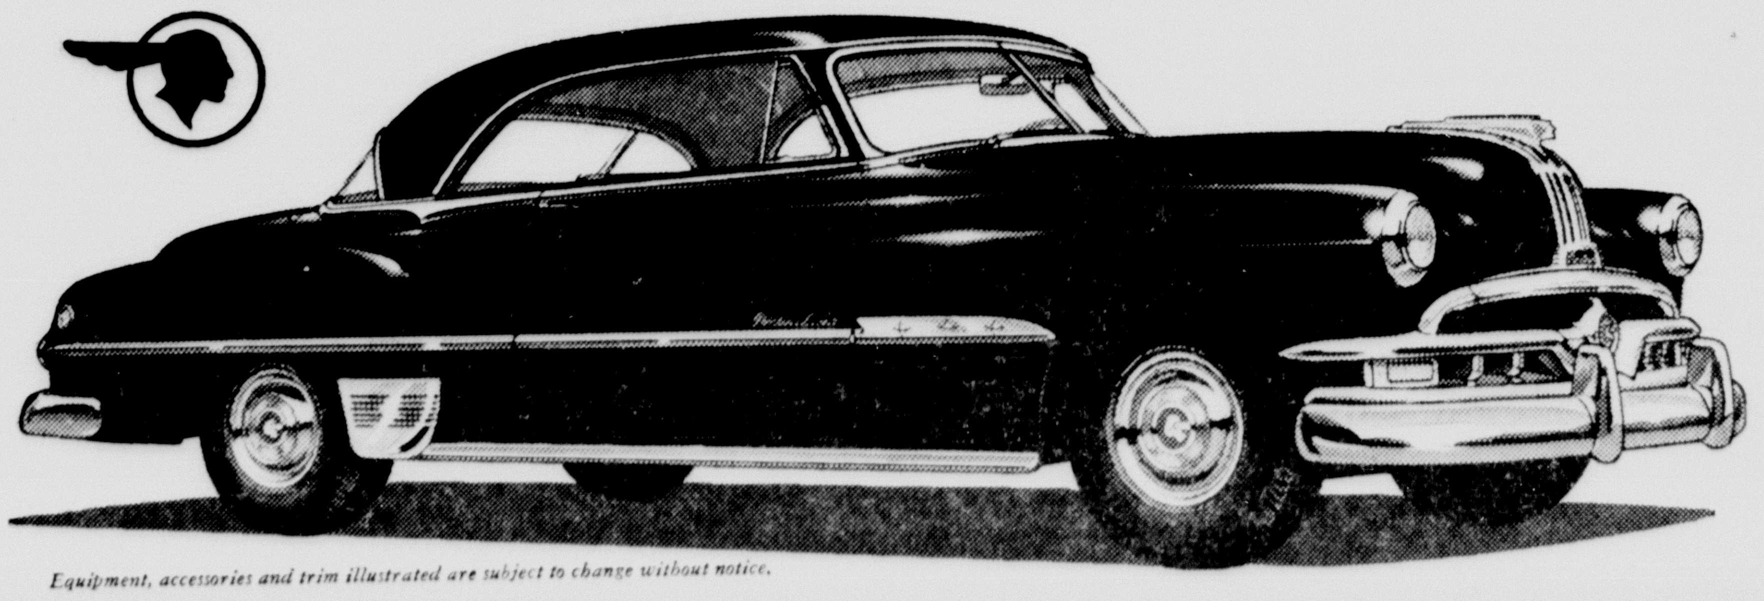
Eric Johnston, Economic Stabilizer: "We are not out to terrorize the people of America into economic loyalty."

Every man is a friend to him that giveth gifts. —Proverbs 19:6.

What a Wonderful Story the Price Tag Tells!



Equipment, accessories and trim illustrated are subject to change without notice.

WE'D like you to come in and hear a wonderful story.

First of all, it's the story of a great car—a car whose name is respected and admired everywhere in America. We are sure that the word "Pontiac" means something distinct and different from any other name in the motor car world.

The word Pontiac means a good solid citizen—a thoroughly good car—a beautiful car—a car with a reputation for delivering years and years and years of driving pleasure.

But there's another important part of this story you should hear: *It's the wonderful story of Pontiac's price!*

For this great car, desirable as it is, is one of the lowest priced automobiles in America—just one step above the very lowest.

Come in, get our deal—a wonderful story all the way around!

WATCH THOSE EXCUSES!

Congratulations students and parents!! The faculty of Canyon High School are very well pleased with the few absences of the pupils during the Tri-State Fair week in Amarillo. Fewer pupils were absent than at any previous Fair period.

The rules and regulations for absences can be found on page 12 of your Student Handbook so read them carefully. Listed below are some of the major rules:

1. If you are absent from school you will be expected to bring a written excuse from home, signed by one of your parents, stating your cause for absence.

2. Illness or family illness are excusable absences, but pleasure trips, shopping trips, or working simply to earn money are regarded as unexcusable absences.

3. If you are absent because of contagious disease in your home, you must bring a certificate from your physician to re-enter school.

Students, remember, you must be regular in your attendance to do your work satisfactorily, so try to be in school EVERY day.

MORE THAN HONOR

Attending Boys' State is a great honor, and there is a goodly quantity of outward glory connected with it. But my feeling about the matter goes infinitely deeper . . .

It penetrates so far as to create within me an unbending faith in our great democratic system, that is so well demonstrated in the Texas government about which we who attended Boys' State learned.

This wonderful plan typifies within itself the American spirit of "Pioneer!" It illustrates that in this land there is something which is to be found nowhere else on God's earth: something which will forever improve as it progresses.

That, in a few all-too-trite words, expresses my sentiments about the importance of my trip. The only way I will ever be able to fully realize the impact of my new-found knowledge is to use it, and I only hope that someday that I can apply it in some way which will prove to me that I was truly worthy of attending.

—Richard Sanders

LOST ENGLISH BOOK

Where is my English book?

This is the question asked many times when one gets to class or when one gets home and starts homework.

Today in the back room the cheapest priced book is $1.11 and the highest is $2.62. If you want to protect your book, cover it, write your name on the cover, inside the book, and register the number with your teacher.

If your book is lost notify Mr. Miller and your teacher and try to find the book.

At the start of this year let us all do the best we can not to lose our books. It will save us money and our teachers many steps.

Let us help each other and there will be no lost books around Canyon High School. What you say?

CARNIVAL QUEENS

Halloween Queen Candidates have been elected from the different high school classes in business meetings held recently.

Marcieta Bynum is the senior candidate; Peggy Bonds, junior; Wilda Faye Pitt, sophomore; and Cara Sue Latham, freshman. These candidates will compete for the annual Queen of Halloween honor at the high school carnival this year.

Miss Ada V. Clark

MUSICIAN

* * * *

Music, Music, Music Is New CHS Theme

"Music! Music! Music!" That seems to be the theme since Miss Ada V. Clark came to teach choral groups at Canyon High School. A lot of fine singing has been heard at various affairs lately under her direction.

Miss Ada V. Clark, head of Canyon High School's music department, was born in Clairmont Street, Minnesota, near the little town of Owatanna, on the old family estate where her father was born. She was one of eight children. As a child, Miss Clark had always been interested in music and used to play on a reed organ which stood in her home. She and her family moved to Plainview, Texas, when she was a senior in high school. Miss Clark attended college at West Texas State from which she received her bachelor of music degree. She received her master's degree from the Peabody School of Music, Nashville, Tennessee. Miss Clark did not intend to teach, although she majored in music, until her father died, then she went to work teaching in order to support her mother. She has been teaching here in Canyon since she graduated and was asked by the president of the college, at that time Dr. J. A. Hill, and the head of the Music department, Wallace R. Clark, to teach music at the college.

Miss Clark's hobbies are: cooking, sewing, entertaining, and making crazy hats. She also likes anything different or original.

The singing groups Miss Clark is teaching at Canyon High School are: the girl's chorus, which is made up chiefly of 9th and 10th grade girls, two music classes from which several ensembles are to be formed, the regular ensemble, and the boy's chorus. She is also letting the students help choose the music which they are singing.

When asked, "Why the use of a bulletin board,?" which she has set up in the auditorium, Miss Clark explained that the board is to help the students keep up with current activities in music in and around the Panhandle, and to help acquaint them with famous musicians and singers. Miss Clark is beginning her twenty-ninth year as a teacher here in Canyon.

Srs. Order Rings Enjoy Hayride

Rings were ordered for fifty-two seniors Monday, October 1, in a senior class meeting.

Standardization of the school rings was completed last year after a vote had been taken from all classes through the eighth grade. The rings are ordered from the Star Engraving Company each year by the senior class and will be standard until 1954. Mr. Joe Black, representative of the Star Engraving Company, was present at the meeting and answered the students' questions concerning the rings.

A bake sale was held Saturday, October 6, to raise money for the senior trip.

A hayride and weiner roast were held by the senior class of Canyon High School, Thursday, October 4, at the farm of Mr. J. H. Wright.

Two wagons of hay, pulled by pickups, transported the noisy students through town and out to the camp. Games were played until sundown, then the group crowded around the campfire to eat hot dogs, apples, potato chips, and roasted marshmallows served by the room parents. After the group finished eating, they sang songs and talked.

The group announced its return to town with more singing and school yells.

Shirley Erwin '52 F. F. A. Queen

Shirley Erwin, senior, was elected F. F. A. Sweetheart for 1951-52 at the meeting held by the F. F. A. Monday night, October 1, at Canyon High School. Selected as her attendants were Nelda Ruthart and Bette McGehee.

To obtain this honor the nominee for queen must meet the following requirements: personality, scholarship, citizenship, and have attended Canyon High School one year.

Accompanied by her attendants, Shirley will be the center of interest on a float in the West Texas Homecoming parade, October 27. She will be introduced at the Parent-Son Banquet and will have a seat at the head table. She will attend the F. F. A. District meeting and be a delegate for the district sweetheart. If elected sweetheart at the district meeting, she would compete in the area. By winning the area sweetheart honor she would become a delegate for the state organization sweetheart.

Honors and positions held by Shirley previously are: seventh grade Hallowe'en Queen, member of F. H. A., parliamentarian 1949-50, National Honor Society 1950-51, and Senior class reporter 1951-52.

Music Appreciation Stressed in Class

Appreciation and enjoyment of music is being taught to students by Miss Ada V. Clark through her instruction of four specific vocal classes at Canyon High School. These classes are: girls' chorus, boys' chorus, voice class, and vocal ensemble.

There are thirty-three students in the girls' chorus. The majority of girls are ninth and tenth grade students, so that they may become members of vocal ensembles in eleventh and twelfth grades.

The boys' chorus is an organization open to all boys who like to sing. This class gives them a chance to express feelings through songs and to have fun singing.

The voice class is to teach students who wish to sing how to get the best results in singing. It gives the singer a better chance to get into a picked ensemble group such as trios, quartets or sextets.

Singers grouped together, singing in parts, is the vocal ensemble. To be eligible for this class, a person must be able to blend his voice with others and carry an individual part.

Other ensembles will be formed as interested students are found. All classes are held in the Canyon High School auditorium.

'Educate Our Youth' Is Theme of Report

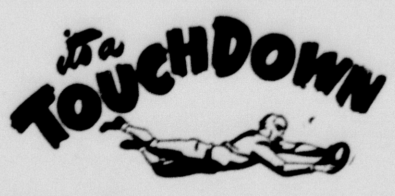
"Boys' State is to educate our youth in the duties, privileges, rights, and responsibilities of American citizenship," Harrell Slack and Richard Sanders, seniors, representatives to Boys' State from Canyon High School 1950-51, spoke to the student body of their experience.

The boys explained the daily routine and their participation in governmental organization to familiarize Boys' State representatives with the machinery of government.

Nominees for the president and vice-president of the Student-Faculty Congress were announced by Tom Middleton, acting chairman. Jimmy Cornette and Richard Sanders will compete for the presidency; and A. C. Wimberly and John Miller will compete for the vice-presidency.

Clement Attlee, Prime Minister of Great Britain: "We belong to the United Nations and we work our foreign affairs on that principle."

Buy, Build, Live in Canyon!



Charles Boling and R. A. Burgess were the outstanding players of Canyon's B team as they fought a losing battle against the Memphis B team with a final score of 19-6 at Memphis Thursday night.

In the first quarter Memphis scored twelve points, both touchdowns on end sweeps. During the second period Canyon came back with a good line defense and kept Memphis on their own end of the field. The ball was punted back and forth while Memphis held Canyon on their one yard line.

In the second half Canyon received with Burgess running the ball to the fifty yard line. On the next play Burgess passed 45 yards to Boling, who took it the rest of the way for a touchdown.

To wind up the third quarter Memphis scored another touchdown and made the conversion. The score now stood at 19-6.

The fourth quarter, with both teams playing good defensive ball, remained scoreless.

Bull-e-Teens!

Heading the Soaring Wings annual staff at Canyon High School this year is editor, Bette McGehee.

Getting fully underway with the appointment of offices, the members of the annual staff with the advisor is making plans for the organization and publication of Soaring Wings. Bette McGehee has been selected as editor and assisting her in editing the annual are: Barbara Beck, assistant editor; Anna Lou Samuelson, art editor; Janie Jennings, copy editor; Joyce Keller, business manager; and supervisor of photography, Elaine Cundiff.

The art class, under the supervision of Miss Claudia Neelley, will assist in the illustration of the annual.

PLEASE! Elect a dependable reporter for your organization.

Reporters from three of the high school classes have been elected. These reporters are: Shirley Erwin, senior; Sarah Colwell, junior; and Ann Moore, freshman.

Bobby Vandergriff was elected president of the Canyon High School Band. Other officers elected were: Ralph Green, vice-president; Barbara Glanton, secretary; Tysene Cox, treasurer.

A Band Council was elected by the student group consisting of Joe Dickerson, freshman representative; Lonnie Davis, sophomore representative; La Rue Davis, junior representative; and Virgil Martin, senior representative. The council also consists of the four officers.

Rae June Cabe, Lynn McKinney, Charles Miller, and Ann Holt were appointed to assist in cake sale plans.

W. M. Thompson, Jo Ann Mickey, Gracie Sheets, and Jerry Martin were appointed to select a booth for the Halloween Carnival to be sponsored by the band.

Mr. Herman Demus is director of the band.

There have been everything from basketball games to boxing matches in the art department this past week. Reason: the art classes have been using real live models in their study of action in the human figure.

Miss Claudia Neelley, head of the art department of Canyon High School, is having her students sketch from models in an effort to get the class to capture an expression of activity in their drawings. The pupils have been working with charcoal and soft-lead pencils so far.

Spanish classes of Canyon High School will have a float in the Homecoming parade. On the committee to plan the float are: Truman Laughery, chairman, David Miller, Elaine Cundiff, Charles Boling, Bob Wilkinson, and Dorothy Neblett.

The Spanish I class elected officers. Laura Smith was selected president, Elvira Boyd is vice-president, and David Miller is treasurer.

"Christ-The Greatest Teacher of Them All" will be the theme of the first program of the Future Teachers of America this year which is to be on Monday, October 15.

Officers this year are: Bettie Graham, president; Ralph Green, vice-president; Nancy Bolton, secretary; Shirley Peppard, treasurer; and Bette McGehee, historian. Ralph Green was appointed reporter by Mrs. Irene Beard, F. T. A. sponsor. Mrs. Cecil Simms is co-sponsor.

Officers of the choir are: Barbara Beck, president; Cara Sue Latham, vice-president; Jean Maynard, secretary; Betty Glanton, treasurer; Houstene Prichard, sergeant at arms; June Davis and Wilda Fay Pitt, librarians; and Lucy Hollabaugh, reporter.

SFC Prexies Are Nominated

Nominees for Student Faculty Congress president and vice-president were elected October 3, and the president and vice-president will be elected Thursday, October 11, by the students.

Nominees for president are: Jimmy Cornette and Richard Sanders, seniors. The nominees for vice-president are: A. C. Wimberly and John Miller, juniors.

The representation in the S. F. C. shall be by class, either boy or girl. Each class will elect one representative for each twenty-five members and one for each fraction thereof as great as three-fifths.

The new S. F. C. representatives are as follows: senior, George Dowlen, Anna Lou Samuelson; junior, Peggy Bonds, Tom Middleton, and Carlene Rogers; sophomore, Ann Holt, Billie Graham, and Norman Tucek; freshman, David Miller, Charles Joyner, Lucy Hollabaugh, and Helen Martin.

Cleavinger Wins Magazine Award

Dorothy Cleavinger grabbed $6, ten cents more than the fist full last year, in the nickle grab award given for the highest total of sales sold by Friday, October 5, in the junior magazine sale campaign.

The total amount of sales at the present time is around $1,800, and the contest closes Tuesday, October 9. Several awards have been given, the first to Janie Jennings, who won the pen and pencil set for highest initial sales of the contest. Thirty-one juniors consumed four gallons of ice cream Friday noon as reward for the sale of at least four subscriptions by October 1.

William Green, President, A. F. of L.: "Come what may, under no circumstances will we ever permit Soviet Russia to dominate the entire world."

Some lucky sophomore and senior will win $5, $2.50 each, for the best Fire Prevention theme during Fire Prevention Week, October 8-13. Awards will be made in assembly.

Hosea Foster, insurance man, has given $30 for awards, $10 per school, to be made to winners in each section.

Only sophomores and seniors are eligible to compete each year. With this plan each student is eligible to compete in the contest every other year.

Five dollars will be awarded in a poster contest which will be open to all students. Awards will be made in the spring.

Ole' Cal done run into some of the queeres news at this ere' school house where everbody seems mighty peppy even in the swiltering heart. The students keep their pep even at football games. Wonder why — Ole' Cal would like to congratulate the cheer leaders and student body! You really put the spirit in the yells at the game with Dalhart. Even the football boys heard the yelling and appreciated it. Let's see if we can't do it again at the game with Olton.

* * * * *

"I guess oats for the horses would be just as expensive as gas for my car in the long run," said Dwain Currie when talking about his greatest extravagance in speech class the other day. Gas! what a strange extravagance.

* * * * *

Compliments go to Ralph Green on how well he conducted the band. Cal isn't going to compliment the band though, seeing as how it didn't follow his directions.

* * * * *

"Wise," says Cal, was the choice of the F. F. A. in the selection of their queen, Shirley Erwin.

Paul H. Douglas, U. S. Senator from Illinois: "Either we will pay for the cost of preparedness through taxes or we will pay for it through inflation."

Frosh Girls Hold Day Nursery

Waa! Crash! Bang! What! You don't know what that was? No, no one being scalped or getting a spanking. It was just the Freshman Day Nursery.

Yes, the high school and its activities fascinated the children. (Perhaps awed them too much, for after diligently searching for a little boy believed to be lost, the freshman girls found him under a box in the recreation room, contentedly playing.) A football boy being tackled brought forth a mixture of laughter or crying from the group of children observing the boys practicing out on the football field. Some were sympathetic, while others thought it very funny.

Later in the day a tragic wreck occurred when one of the doll carriages driven by a little boy crashed into something and lost a wheel, but there were no occupants injured, and the little boy immediately began to repair the damage. Well, probably, this day will always be remembered as the nursery children's first day attending high school.

Mr. and Mrs. Gene Cayton and sons of Flaglar, Colo., are visiting their parents, Mrs. E. N. Zachry and Mr. and Mrs. Cecil Cayton of Claude.

WHERE THEY COME FROM

Some people seem to have opinions that have been in their families for generations.

SAID ONE DEER!

Said ,one deer to the other "Gosh, I wish I had his doe."
